I have read the complete series and this one is great but it leaves too many loose ends at the end, unless we get the 9th book of the series a little earlier - I want to see Uhtred get back Babbenburg.

Eine super Buchreihe. Wirklich sehr sehr gut. Nachdem ich das 1. Buch auf Empfehlung eines Kameraden gelsen habe, habe ich innerhalb der nächsten Wochen alle anderen Bcher der Reihe geradezu durchgesucht.
Unbedingt und uneingeschrnkt empfehlenswert.

Uhtred in a very uncommon role: sick, old, tribbling - quite a weakling. But the story is not less packing and breath-taking as all the other books of the Saxon Story. Get yourself a good Whiskey and enjoy - medieval stories at their best!

Kurzbeschreibung
The eighth novel in Bernard Cornwells epic and bestselling series on the making of England and the fate of his great hero, Uhtred of Bebbanburg.
BBC2s major Autumn 2015 TV show THE LAST KINGDOM is based on the first two books in the series.
In the battle for power, there can be only one ruler.
The ruler of Mercia is dying, leaving no apparent heir. His wife is a born leader, but no woman has ever ruled over an English kingdom. And she is without her greatest warrior and champion, Uhtred of Bebbanburg.
An empty throne leaves the kingdom exposed to rival West Saxons and to the Vikings, who are on a bloody rampage once more.
A hero is needed, a hero who has been in battle all his life, who can destroy the double threat to Mercia. A hero who will ultimately decide the fate of a nation
