A mental plug-in for creating lush images.Von Ein KundeI can't remember what compelled me to buy this book, but it painted the most peaceful, beautiful and pleasant images and feelings as I read it. I'm a guy, and it's a chick-book, but I

highly recommend it for anyone who wants to get away from life and be lost in paradise. PS... The movie does it NO justice, although the movie is fun. The strength of this story is in Von Arnim's ability to literally supercharge what your mind can paint. It's funny too. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein Schulbuch Von Paulus Leider entsprach das Buch überhaupt nicht meinen Erwartungen. Ich hatte bei dem "Roman" gelesen (FAZ) sowie bei der Autorin Elizabeth von Arnim. Nichts, fast nichts, von dem "Enchanted April" ist m.E. in dieser Edition erhalten geblieben. Die Illustrationen, eher Holzschnitte, sind eben holzschnittartig und in keiner Weise dazu angetan, dem Leser den Zauber dieser italienischen Landschaft, dieses Gartens vor allem, zu vermitteln. Von daher wird auch nur unzureichend klar, was diese imaginative Kraft des mediterranen Gartens mit den englischen Damen unterschiedlichen Alters und unterschiedlicher Herkunft macht, die aber alle doch noch irgendwie viktorianisch geprägt sind. Schade. Ich hätte wohl eine andere Ausgabe wählen sollen ... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Did you ever want to get away from it all? Von Bernie Over the years some people become more fun and interesting. On the other hand some become staunch and passionless. Seems that Lottie picked the latter to marry. One day at her club she sees an advertisement to rent an Italian villa for a month she shows this to a friend Rose and offers to share the cost. This leads to four women with different backgrounds sharing the cost of a great adventure at the beautiful Italian villa "San Salvatore." The story is well written and was made into a good play as it has all the elements of understanding and misunderstanding needed for a good play. Even some explosive scenes. There are all the characters, looking for a retreat from life, find each other again; for some the first time. You will find yourself wanting it to join in. Do not overlook the two movies with the same title.

Kurzbeschreibung TRILOGY - Three of Elizabeth von Arnim's bestsellers are in this Kindle eBook: *The Enchanted April* (1922), *Elizabeth and her German Garden* (1898) *The Pastor's Wife* *The Enchanted April* (1922) Four English women read a newspaper advertisement and meet on a vacation at an Italian castle in the 1920s. Von Arnim was inspired to write "The Enchanted April" after her own voyage to the Italian Riviera and her book has been adapted for the stage and as an Academy Award-nominated feature film. *Elizabeth and her German Garden* (1898) Elizabeth von Arnim's semi-autobiographical book explores her desire to tend a garden and mix with Germany's social stratosphere. The book is written as a year's diary. *The Pastor's Wife* Ingeborg returns from Switzerland as an engaged woman. But has she made a mistake? She finds life to be rather tedious as the wife of a Prussian pastor, and a handsome artist catches her eye in this amusing tale based on von Arnim's own life in Germany. About The Author Australian-born Mary Annette Beauchamp (1866-1941) wrote under the pen name Elizabeth von Arnim. As a young girl, she returned to England with her family and married to become Countess von Arnim-Schlagenthin and then Countess Russell. She eventually moved to America with the onset of World War I and died there at age 74. From Publishers Weekly Four Englishwomen vacation together at an Italian castle in von Arnim's novel, a film version of which is now a popular art-house attraction.
