Von Kate McCarthy : The End Game (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The End Game (English Edition):

Zumindest von dem Standpunkt aus, was ich bisher so gelesen habe. Ich mchte nicht viel zum Plot sagen, nur: Jordan ist selber eine Athletin und steht mit beiden Beinen im Leben. Sie muss nicht gerettet werden! Brody hingegen... zu einem gewissen Punkt schon.Die Geschichte entwickelt sich von einem leichten, lockeren und lustigen Ton(mehrfach herzlich gelacht bei den Dialogen,

an denen Jordan beteiligt war) zu einem ernsten und dramatischen Plot. Es wirkt jedoch nicht an den Haaren herbei gezogen. Ich finde das Tempo der Entwicklungen in Ordnung und der Sache gerecht. Es tun sich Abgründe im Laufe der Geschichte auf die mit den Charakteren fühlen lassen. Alles in allem ein empfehlenswertes Buch. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Toll!! Von C. B. GilMir war, als hätte ich vorher in einem Blog gelesen, dass es sich um eine romantische Liebesgeschichte handelt und war doch sehr angenehm überrascht, dass diese Geschichte viel, viel tiefer geht und mir hat sie deshalb richtig gut gefallen! Absolute Leseempfehlung!

Kurzbeschreibung Professional athletes are pillars of their respective communities. They are heroes in the eyes of boys and girls and are expected to conduct themselves in a manner that positively represents their community. The public loves a good scandal. Seeing someone fall from the pinnacle of success makes a great headline. No one knows that better than I do. What started out as a promising career in college football, spiralled into scandal and shame. But being a hero is easier said than done. Especially when there are those who expected to see the great Brody Madden fail. I craved nothing except being the best willing to do anything to prove them wrong. But I went too far, and I tried too hard, and it broke me. At the time of going to print, Jordan Elliott was unavailable for comment. I met Brody Madden in my senior year of college. An Australian native on an international scholarship, I was the female soccer sensation with stars in her eyes and no room for a hotshot wide receiver with a chip on his shoulder. But a heart bursting with ambition and a driving fire to succeed isn't made of stone. I became his strength, his obsession, and the greatest love of his life. Only I wasn't there when he needed me most. This is a story about love and a game that takes everything. Where the path to glory is paved with sacrifice. Where pressure makes you, or breaks you, and triumph is born in the ashes of failure. Where two people's end game will change everything. *** 18+ recommended. Contains adult language and adult themes.
