Von Shirl Henke : The Endless Sky (Cheyenne Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Endless Sky (Cheyenne Series Book 2) (English Edition):

Good StuffVon Ein KundeI've found Shirl Henke's work to be a bit patchy in quality; this is one of my favorites. It's a fairly dark book, not surprising given its setting in the middle of the wars between Native Americans and whites in the

American West after the Civil War. The main characters are both believable and likeable, the sex scenes are nicely torrid, as is Henke's habit, and the action keeps you turning pages till it is over.0 von 0 Kunden fanden die folgende Rezension hilfreich. One of My Favorites Von Ein Kunde This one has got great main characters and a believable story line. Yes, it's very dark but so were the times. My only complaint would be the husband villain being a bit over the top. The author has been true to the customs of the Cheyennes, something that many other authors don't bother with. Chase and Stephanie go through hell, but the ending is worth it.0 von 1 Kunden fanden die folgende Rezension hilfreich. If there is one thing I hate... Von Ein Kunde... it is authors who despise their own heritage and trash it for the sake of making a buck. That's exactly what Shirl Henke has done in THE ENDLESS SKY. She has not one good thing to say about whites and plenty to say to degrade and humiliate them. If she had written the same commentary about the black Buffalo Soldiers of the American West, this book would never have been published. Perhaps if Shirl Henke had treated the whites of 19th century America fairly in SUNDANCER where Cain was trying to fit in with white society, I might have forgiven the opposite situation in THE ENDLESS SKY where Chase totally spurns his white heritage. But such is not the case. Henke is just as unfair to whites in SUNDANCER as she is in THE ENDLESS SKY. I've had it with Ms. Henke and her hatred for her own heritage. THE ENDLESS SKY was her last chance with me. She won't be getting another!

Kurzbeschreibung THE WHITE WOLF In Boston he is known as Chase Remington, a bitter outsider, heir to a socially prominent dynasty that hides secrets more shocking than his own bastardy and half-breed blood. To fulfill the last wish of his mother, he returns to the High Plains, becoming the White Wolf, a fierce Cheyenne raider, protecting his fathers people from the whites who would destroy them. THE WHITE WOMAN Stephanie Summerfield is a Boston heiress who has loved Chase since childhood. Her engagement to him sends shock waves through society, especially when he vanishes mysteriously after his mothers death. Alone, her reputation in shambles, she weds a mercenary Baltimore cavalry officer and attempts to rebuild her life in the far West until she is kidnapped by the infamous White Wolf. THE LITTLE BIG HORN In the Valley of the Greasy Grass, Chase and Stephanie learn what the Powers have decreed. They are destined to be lovers if they can survive the vengeance of her brutal husband, the twisted hate of his uncle, and the attacking Seventh Cavalry led by the Long Hair, Custer. See the Battle of the Little Big Horn through the eyes of the Indians who were the ultimate victims Kurzbeschreibung THE WHITE WOLF In Boston he is known as Chase Remington, a bitter outsider, heir to a socially prominent dynasty that hides secrets more shocking than his own bastardy and half-breed blood.
