**Von Donna White Glaser : The Enemy We Know: Suspense with a Dash of Humor (A Letty Whittaker 12 Step Mystery) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Enemy We Know: Suspense with a Dash of Humor (A Letty Whittaker 12 Step Mystery) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Humor, Mystery and Recovery, a Novel TrifectaVon Phyllis CapannaLetty Whittaker is a discombobulated, newly sober therapist who, although she's great with clients, exercises some pretty poor judgment during the course of this well-paced, satisfying and funny mystery. But we understand why, and we sympathize. We've all been shaken up by life changes, and we've all (well, most of us) felt we had a secret or two to protect. Letty is a thoroughly likable heroine, and we recognize many of the other characters from our own lives: the sanctimonious coworker, the insanely cute supervisor, the over eager intern. And if you're a woman of a certain age, you also have no doubt encountered (or been) the man-hating feminist, and the Rock of Gibraltar confidante. The Enemy We Know is a great first novel, and I can't wait to read the rest of the books in the series. There were just enough plot twists to keep it interesting, and the actual killer? A pleasantly disturbing surprise! I'm a little wary that there will be a romantic interest in each book, and frankly, I could do without it. Romance in a women's mystery seems to be gratuitously included in every one I've read, and often it slows down the story. Ms. Glaser handled it well, and it was integral to the plot, so kudos for that. Humor, mystery, recovery: my kind of book! Keep it up, Donna White Glaser, you're onto something.

KurzbeschreibungA therapist has a secret . . . and a stalker. Psychotherapist Letty Whittaker, a professional secret keeper, has a secret of her own. When one of her clients escapes her abusive boyfriend, Letty becomes the target of the man's twisted desire for revenge. The abuser invades Letty's life, leaving "gifts" of dead rats and freaky Shakespearian sonnets. Worst of all, he's close to uncovering Letty's deepest secret. And then, unexpectedly, Letty's tormenter is murdered. The bad news? The police suspect Letty. Worse yet, the sonnets and bloody souvenirs keep coming. Someone else has been watching Letty. Someone willing to kill again. Fans of Janet Evanovich, Carl Hiaasen, and Harlan Coben have fallen in love with this wise-cracking amateur sleuth. Think--love child of Stephanie Plum and Alex Delaware after a wild night of Twister and tequila shooters. If you love edge-of-your-seat suspense with laugh-out-loud action, grab this funny mystery now!
