LoraniMr. Battles has a great set of characters and manages to develop them from book to book. This one takes off the moment where the last one ("The Collected" stopped.Again Quinn and his team find themselves in non-stop action and fighting, a perfect read for anyone who like action-filled thrillers.0 von 1 Kunden fanden die folgende Rezension hilfreich. Quinn series is the second best I ever read (Michael Connolly's Harry Bosch series is still the best) Thrilling and interesting from page one. Very addictive. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Just great. Von Britta Another great book by one of my favorite authors, Brett Battles. The Quinn Novels are always fast-paced, well-written and have a great story, too!

Kurzbeschreibung The rescue on Duran Island did not go as planned. Jonathan Quinn knows that someone is responsible. That someone decided throwing people Quinn cares about into the line of fire in a cold-hearted act of self-preservation was a good idea. He also knows that this someone has made a serious mistake. Because when Quinn gets mad, the last place anyone should ever be is in his crosshairs. He will not stop until the guilty pay. Sometimes revenge is best served now.
