Von Diane Chamberlain : The Escape Artist (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Escape Artist (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Not up to her normal standard Von Ein Kunde This is the fourth novel by Diane Chamberlain that I have read. Although it's a decent read, it doesn't approach the standard of her earlier novels. The plot is somewhat transparent and the depth of characterization is lacking. Her effective technique of slowly unraveling a character's past is not present here. There is

little we don't know about the major characters early on, except for the mad bomber plot that lacks credibility. The romantic angle is diluted from an overall lack of drama (we know where her heart lies from page one). For those new to this author, I recommend trying *Fire and Rain*, *Reflection* or *Keeper of the Light* instead. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A beautifully written, captivating and poignant story Von Ein Kunde Rarely does one read a book that "stays" with you. This was one such book for me. Ms. Chamberlain writes a beautifully, poignant story of one woman's journey to overcome adversity. One cannot help but feel compassion and support for the main character, Susanna as she's always looking over her shoulder wondering if and when law enforcement will find her; as well as her inner, personal struggle in becoming a strong, self-reliant, woman, especially at the climatic end of the story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Love all her books Von PinkLady78 I am so happy to have discovered this author and am reading all her books. Loved this plot and the character development. Very entertaining read.

Kurzbeschreibung If you are a fan of Jodi Picoult or Susan Lewis, this is equal parts family drama, love story and thriller. Diane Chamberlain is the Sunday Times bestselling author of *The Silent Sister* and *The Midwife's Confession*. Susanna Miller loses custody of her eleven-month-old son, Tyler, but rather than turning the little boy over to her ex-husband and his new wife, she goes on the run. She dyes her hair, changes her name and escapes from Boulder, Colorado, leaving behind everyone she knows including Linc Sebastian, the man who has been her best friend since childhood and who knows her better than anyone. Susanna lands in Annapolis, Maryland, alone, frightened, and always looking over her shoulder for someone who might recognize her. Just as she's beginning to feel safe in her new surroundings, she stumbles across information that could save the lives of many people . . . if she's willing to take it to the police. But going to the authorities means revealing her identity, admitting her guilt and, worst of all, losing her son. Pressestimmen Twisty and smart (*Heat on Pretending to Dance*) An emotionally perceptive, gripping novel and a deft exploration of long-hidden and quietly explosive familial truths (*Sunday Express on Pretending to Dance*) Twisty and smart (*Heat on Pretending to Dance*) An emotionally perceptive, gripping novel and a deft exploration of long-hidden and quietly explosive familial truths (*Sunday Express on Pretending to Dance*) Werbetext Heart-wrenching and compassionate, bestselling author Diane Chamberlain's *The Escape Artist* is a moving tale of the sacrifices a mother will make for her child.
