Von Teyla Branton : The Escape (Unbounded Series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Escape (Unbounded Series Book 3) (English Edition):

Spannende Serie!Von MerleBereits dritter Band der Serie mit den Menschen mit speziellen Fhigkeiten.Nach den Ereignissen in Mexico findet bei Erin eine weitere Entwicklung ihrer sensorischen Fhigkeiten statt; fr Feinde wird sie

immer gefährlicher, sie kann die Fähigkeiten von mit ihr Verbundenen nachahmen. So wird sie fast Tag und Nacht für äußerst gefährliche Missionen eingesetzt und immer wieder lebensgefährlich verletzt. Die Verbundenen, die in Mexico vom Emporium gefangen genommen wurden, sollen wieder befreit werden. Doch die Feinde sind massiv in der Überzahl. Um den Vizepräsidenten der USA ereignen sich seltsame Dinge, Ava und ihr Team gehen dem auf den Grund und entdecken Unglaubliches. Die Dreiecksbeziehung zwischen Erin, Keene und Ritter beginnt sich zu klären, Erin muss sich entscheiden. Die Geschichte ist wieder rasant geschrieben, so dass der Beziehungsaufbau nur zwischen Tr und Angel stattfinden kann - was ich bedauere, da hätte ich gerne mehr davon gelesen. Die Aktion ist wie immer spannend, doch die Hin- und Her-berlegungen sind mir etwas zu ausführlich. Allerdings machen die letzten Kapitel absolute Lust darauf, möglichst bald weiterzulesen. Empfehlenswert!

Kurzbeschreibung They Have Become the Guardians of Humanity Renegade Unbounded are the last line of defense between the ruthless Emporium and unsuspecting humanity, but how long can they continue the struggle alone? Three weeks of waiting to free their allies from an Emporium compound in New York City have Erin Radkey and her Renegade friends on edge. Frustrations run even higher when they uncover a new Emporium plot involving the nation's highest leaders, a plan full of more deceit than Erin imagined possible. With each passing day, the pendulum swings closer to world-wide Emporium rule and mortal servitude. Making sense of her personal life is every bit as challenging as being a guardian of humanity. Erin fears that her increasing abilities will alienate everyone around her, including those who love her most. Her relationship with Ritter Langton has been on hold these past anxious weeks, and though their connection runs undeniably deep, the constant presence of the mortal Keene McIntyre adds to the tension between them. Choices loom before Erin that affect not only her personal life but how she does her job. With political intrigue and non-stop action, the Escape adds satisfying dimension to the Unbounded world, whose characters and storyline have captured the imaginations of thousands of readers.

ber den Autor und weitere Mitwirkende Teyla Branton grew up avidly reading science fiction and fantasy and watching Star Trek reruns with her large family. They lived on a little farm where she loved to visit the solitary cow and collect (and juggle) the eggs, usually making it back to the house with most of them intact. On that same farm she once owned thirty-three gerbils and eighteen cats, not a good mix, as it turns out. Teyla always had her nose in a book and daydreamed about someday creating her own worlds. She is now married, mostly grown up, and has seven kids, including a two-year-old, so life at her house can be very interesting (and loud), but writing keeps her sane. She thrives on the energy, inspiration, and daily amusement offered by her children. Grabbing any snatch of free time from her hectic life, Teyla writes novels, often with a child on her lap. She loves guns, martial arts, and belly dancing. Teyla writes urban fantasy, paranormal romance, and science fiction. She also writes romance and romantic suspense under the name Rachel Branton.
