The book was OK but no more.In the beginning I thought the premise is quite interesting. She's 30 still virgin so her best friend talks her into hiring an escort to change that obstacle. His twin brother not able to fulfill this job so he's stepping in and as soon as he gets an idea of the purpose of the job he wants to change her mind but falls in love with her.In fact the twin brother is

not really interested in the job but cannot decline not to lose his employment and he is not really trying to change her mind and the story line is not really important it's only used as a means for excessive sex scene descriptions which are at least good written and diversified. So if you are looking for hot sex but not really care about the story go one other way try another one. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute, kurzweilige Geschichte Von Bcherliebe Zwar handelt es sich hier nicht um hochgeistige Literatur, aber lustig war's trotzdem. Weil der Leser von Anfang an weiß, dass hier Zwillinge am Werk sind, ist der Spannungsbogen nicht sehr hoch. Der Verlauf der Geschichte ist vorhersehbar, was der Unterhaltung aber keinen Abbruch tut. Denn die Charaktere konnte man gut leiden, auch wenn ihre Probleme eher oberflächlich geschildert wurden. Das Thema Escort wurde schon umfassender in anderen Bchern behandelt, z.B. in "Faking it" von von Elisa Lorello. Im Vergleich dazu schneidet dieses Buch wie ein Groschenroman ab, wenn auch ein guter, aber es ist eben auch viel kürzer. Alles in allem als heiße Gute Nacht Geschichte zu empfehlen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz okay Von Emra Kann man zwischendurch mal lesen - wer es nicht tut versumt trotzdem nichts. Die Charaktere bleiben recht flach und die Nummer mit der 30-Jährigen Jungfrau ist inzwischen auch nicht mehr neu. So richtig nachvollziehen konnte ich die Umstände weshalb es dazu kam auch nicht, da der Vater kaum näher beschrieben wird. Die Prota selbst wirkte teilweise etwas kindisch, naiv und bleibt während der gesamten Story recht eindimensional. Vom Schreibstil her war es sehr einfach zu lesen, daher vielleicht für weniger gute Englischleser interessant.
