**Von Henry James : The Europeans (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Europeans (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. A short, easy reading glimpse of James'brilliance.Von Ein KundeEuropeans presents a quick summation of why Henry James is among the most illustrious and celebrated American authors. His writing in this book surveys the interaction of

European society with early, austere, and moralistic American culture. For historians and sociologists alike, as well as avid fans of lit., James illuminates interactions of the respective characters with poised rhetorical grace, and his sketches are highly readable, understandable, and enjoyable. James can be an intimidating author to approach for people like me (a college sophomore), who are beginning to appreciate the pleasure of reading such fine authors; reading a short, yet engaging, work such as *The Europeans* is an excellent jumping off point to a later appreciation and enjoyment of the author's more prodigious epics, such as *The Portrait of the Lady*. I can say that after reading *The Europeans*, I have more confidence and comfort taking off the shelf a longer work by James, simply in knowing that I can comprehend his shorter designs. I also recommend for those like me to try out his short fiction. Concluding, reading this work has made me very excited to read further works by James, as I plan to read the entirety of his literary output. It is the brilliance and charm of *The Europeans* that has instilled in me this excitement.

Satisfactory Von Ein Kunde I believe that James has created another of his wonderful novels, but this one in particular contains some sense of greed. In most characters of this novel they hold a characteristic of either selfishness or cluttered with love and affection, and seems to be a little dull that is why I give a 3 star rating.

It is filled with love and selfishness something which show in most characters I give a 3 star rating.

Kurzbeschreibung Three of Henry James' best-selling tales are bound together in this Kindle book: *The Europeans*, *Washington Square* *The Beast In The Jungle*. *The Europeans* (1878), A Novella Henry James contrasts the attitudes of two visitors from Europe with those of their American relatives in Boston. *Washington Square* A tragic-comedy about the conflict between a dull but sweet daughter and her brilliant, domineering father. *The Beast In The Jungle*, A Novella One of James' finest short narratives. John Marcher and his peculiar destiny address the worth and meaning of human life.

About The Author Henry James (1843 1916) was an Anglo-American writer who alternated between the U.S. and Europe, spending much of his career in Britain where he became an English subject. He is well regarded for his novels discussing Americans and their brush with Europeans. His books explore consciousness and perception. His books, particularly later works, have been compared to impressionist painting.

Henry James Classics Include: 1. *The American* (1877) 2. *The Europeans* (1878) 3. *Daisy Miller: A Study* (1879) 4. *Washington Square* (1880) 5. *The Portrait of a Lady* (1881) 6. *The Aspern Papers* (1888) 7. *The Spoils of Poynton* (1896) 8. *What Maisie Knew* (1897) 9. *The Turn of the Screw* (1898) 10. *The Awkward Age* (1899) 11. *The Beast in the Jungle* (1903) 12. *The Ambassadors* (1903) 13. *The Golden Bowl* (Volumes I and II) (1904) 14. *Italian Hours* (1909) 15. *The Figure in the Carpet* (1916)

Pressestimmen He is as solitary in the history of the novel as Shakespeare in the history of poetry." Graham Greene
