**Von Peter F. Hamilton : The Evolutionary Void (The Void Trilogy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Evolutionary Void (The Void Trilogy):

Kurzbeschreibung Following *The Dreaming Void* and *The Temporary Void*, *The Evolutionary Void* is the epic conclusion to Peter F. Hamilton's Void trilogy, set in the world of the Commonwealth Saga. Time is running out for those determined to prevent millions of followers from the cult of Living Dreams crossing into the Void and triggering an expansion that will destroy everything in its path. Second Dreamer Araminta is on the run but knows that she cannot escape her destiny forever. But when she finally makes her choice it will change her in ways no one could have expected. Meanwhile, Edeard, the subject of the cult's dreams, finds life as challenging and dangerous as ever. He soon realizes that there are consequences for stability. But is the price for peace too high? *Pressestimmen* "Spiced with plenty of action and intrigue." -- *San Jose Mercury News* "Satisfying and powerful . . . space opera doesn't get much more epic than Peter F. Hamilton, something proven in spades in *The Evolutionary Void*." -- *SFFWorld* "Dazzling with complex story lines, compelling characters, and universe-spanning drama." -- *Publishers Weekly* *Pressestimmen* "The master of widescreen baroque" - *Guardian* 'Compulsively readable and abundantly full of ideas' - *The Times* 'Epic, multi-stranded, full of wonders' - *SFX*"
