Von Ben Bova : The Exiles Trilogy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Exiles Trilogy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ben Bova at his bestVon Elke Richter-FischerBen Bova at his best - nice story with no unlogical leaps, taking the backround and date when the novels were written, the technical "outlook" into the future is breathtaking. Seen from

this angle it's a nice holiday read - some points (with today's internet possibilities) do leave a smile on your face.

Kurzbeschreibung When all the best of Earth's scientists are forced into exile to a space station to prevent their work from upsetting the status quo, they decide to embark on an even grander adventure to the stars. An epic three-volume saga from a science fiction master, all in one book: **EXILED FROM EARTHFLIGHT OF EXILE** **SEND OF EXILE** Dr. Ben Bova is a six-time Hugo Award winner and author of over 125 futuristic novels and nonfiction books about science and technology.
