Von Lynsay Sands : The Fairy Godmother before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fairy Godmother:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. fairy dustVon emmaodel hat allen grund, mnnern zu mitrauen und niemals heiraten zu wollen - genauso wie michelle den

frauen nicht traut. die eingreifende "fairy godmother" (schade, da es sowas im deutschen mrchenbestand nicht gibt) wirkt wie aus einem disney-mrchenfilm - und doch gerissener, als in einem solchen genre blich. das buch ist sehr s, das einzige, was mich permanent gestrt hat, war die mnnliche schreibweise ihres und die weibliche schreibweise seines namens. (bei "michelle" hab ich eher eine singende blondine vor augen als einen verdienten und kampferproben sldner/jetzt lord)

Kurzbeschreibung Previously published in the print anthology Mistletoe Magic. When a fourteenth-century maiden named Odel loses her father, she learns from her aunt that she must marry and that a handful of fairy dust can separate men from mice. Having sworn off love, Odel is reluctant to greet her many suitors, until one catches her eye. Kind and generous, Michelle shows Odel how good it can feel to fall in love too bad Odel can't trust her heart. Will Michelle destroy what little hope Odel had for men, or will they be able to keep their love aflame? A classic novella from New York Times bestselling author Lynsay Sands.
