Von Sorcha MacMurrough : The Faithful Heart (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Faithful Heart (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A riveting readVon Ein KundeThis book has it all-stunning characters and scenery, great history, and a heck of a lot of sizzle! More please from this fab author!

KurzbeschreibungIreland, 1537Who has murdered Morgana Maguire's brother, poisoned her father, and stolen most of her clan's ships? These are just a few of the pressing questions Morgana must find answers to if she and her one true

love Ruairc (Rourke) MacMahon are ever to find happiness in each other's arms. Morgana broke off her engagement to the only man she ever loved when her brother was murdered, and fled to a convent to become a novice nun. At that time, she was heartbroken, convinced that her betrothed had betrayed them all. Yet ever since then, seeds of doubt have begun to creep in. Could the man she loved ever have done anything so monstrous? For the past two years, she her doubts have grown, As the day draws ever closer for her to take her vows, should she listen to her head, or to the longings of her heart? Ruairc has returned to Donegal due to Morgana's father, who claims that he wants to make peace amongst everyone in his clan and with his allies before he dies. Ruairc's heart leaps with joy at seeing his beloved again, but she seems a cold stranger compared with the woman who once burned to marry him and become his in every way. Once Morganna returns home to her clan, and starts setting it to rights again, Morganna knows she can never live without Ruairc by her side again. For as she begins to dig deeper into the death of her brother, she realizes that Ruairc is the only person who has NOT profited from her brother's death in any way. In fact, Ruairc's life has been a living hell. He has never loved anyone but the fiery young beauty and is willing to do anything to prove it to her, even if it means sacrificing his place at the Tudor court in Dublin to be with Morganna at last..Forced to earn his living by his wits after being banished from his clan for a murder he did not commit, Ruairc has had to dance attendance upon the great Irish leader Silken Thomas and other powerful and ambitious courtiers in Dublin all vying for power and willing to do just about anything to get it. What he has seen at court makes him increasingly uneasy, for Henry VIII is an ambitious king and his religious reforms begun due to his marriage to Anne Boleyn threaten to rip apart the Catholic Church on both islands, even though the Church s one of the firmest foundations of traditional Irish society. But as bad as Dublin is, it does not take long for Ruairc to see that his former home has also become a den of murderous intrigue, with friendly faces hiding the most cunning plots and schemes. Ruairc needs to draw on all his reserves of courtly cunning, and will even brave the gates of Hell itself if it means winning Morgana for his wife at last. If only he could convince her he loves her only, and not her title, lands or wealth. As their enemies surround them and their region is plunged into chaos, Morgana must trust Ruairc with her life and love, amid shifting quicksands of loyalty and allegiance that threaten to drag their land into ruin at the hands of foreign invaders even more ruthless than the English. Only Morgana's greatest ship, The Faithful Heart, stands between their enemies and those who will stop at nothing to seize the throne of England for themselves. =====The Faithful HeartWord Count: 90,000Setting: Tudor IrelandRating: Mildly sensual, some explicit love scenes++++About the AuthorSorcha MacMurrough is a multi-published author of historical romances. She has lectured in English literature and English and Irish history at a number of universities and colleges in the UK and Ireland.KurzbeschreibungIreland, 1537Who has murdered Morgana Maguire's brother, poisoned her father, and stolen most of her clan's ships?
