Von Merry Farmer : The Faithful Heart (The Noble Hearts series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Faithful Heart (The Noble Hearts series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. love of the finestVon Katharina Gerlach (Indie Autorin)I was a big fan of the first book, although I usually abhor romance. Like the first book, this one takes the main characters through lots of intrigue and chaos. The obstacles between the lovers are not "I want him but can't get him" but real problems that could have been true in the historical setting. True, the females were a tad too modern in their way of thinking but I think a story like this wouldn't sell any other way. I

loved the fact that the historical background was well researched and not just a backdrop for smooching.

Kurzbeschreibung Being a noble is all about soft beds and plenty of food, or so Jack Tanner always thought. But the other nobles of Derbyshire still treat him like a dirty peasant, he can do nothing to stop the rash of robberies in the forest, and his enigmatic steward, Simon, knows more about running a manor than he does. To top it off, even the return of Madeline, the love of his life, is overcast by the machinations of the beautiful and cunning Lydia. So when King Richard is captured and Derbyshire is asked to raise an impossible sum of ransom money, Jack must make a sacrifice that destroys his and Madelines chance of happiness. Lady Madeline risked everything when she defied her father and escaped the convent in order to be with Jack. But their long-awaited reunion is ruined by her fathers wrath and the fortune-hunting seductress Lydia. Madeline is smart, but convent life hasnt prepare her to battle for her man. When Jack becomes Lydias captive, literally and figuratively, Madeline must learn to out-manuever her rival in order to save the man who once saved her from a fate worse than death. A rollicking, lighthearted adventure There is enough adventure, romance, and moments of genuine heartbreak here to keep readers glued to their e-readers for the duration. - InDTale Magazine Kurzbeschreibung Being a noble is all about soft beds and plenty of food, or so Jack Tanner always thought. ber den Autor und weitere Mitwirkende Merry Farmer is an award-winning novelist who lives in suburban Philadelphia with her two cats, Butterfly and Torpedo. She has been writing since she was ten years old and realized one day that she didn't have to wait for the teacher to assign a creative writing project to write something. It was the best day of her life. She then went on to earn not one but two degrees in History so that she would always having something to write about. Today she is a giant History nerd and a hopeless romantic waiting for her own love story to start.
