Von Marion Zimmer Bradley : The Fall of Atlantis (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fall of Atlantis (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich.
CLOSURE AT LASTVon David D. WarnerI, for one, truly enjoyed THE FALL OF ATLANTIS. As a long-time fan of Marion Zimmer Bradley, I was anxious to read this book yet continually vexed that it was long out of print and hard to find. This was especially frustrating in light of the recent death of MZB and the end of an era of beautiful literature. When I finally got my hands on a copy of a recent reprint of this book just last year, I was not disappointed.What THE

FALL OF ATLANTIS gives to those of us who have truly appreciated the inspired genius of MZB's other works, like THE MYSTIS OF AVALON, THE FIREBRAND, the entire WITCHLIGHT series and others, is a framework, perhaps, for all of her more esoteric novels. The tragic story of Deoris and Domaris, the destruction of paradise and the perpetual battle between the Path of Light and the Path of Darkness goes a long way toward explaining some of the major themes that ran through MZB's subsequent -- and more popular -- works. This novel lays the ground work for all of her other novels and, without it, I don't think the others can truly be appreciated in the spirit in which they were written. 6 von 6 Kunden fanden die folgende Rezension hilfreich. An earlier work with a lot of depth Von Ein Kunde Marion Zimmer Bradley never ceases to amaze me - and this book which originally was a two-parter called Web of Light/Web of Darkness is one of her earlier works. Still, it contains all the good stuff she brought to a pinnacle in "The Mists of Avalon" - "Atlantis" is not as catchy, but the characters are very vivid and forceful, especially Deoris, who's as multi-layered as one could wish. The plot is subtle and believable, and really gripping to the last page. Read it - you won't regret it! 2 von 2 Kunden fanden die folgende Rezension hilfreich. A good book to read if understood... Von Ein Kunde THE FALL OF ATLANTIS, was a fairly good book. I have read mostly all of MZB's novels, including the Forest House, Lady of Avalon, Mists of Avalon, The Firebrand, Exile's Song, and many others. But the one thing that I think others need to understand that might not of liked this book and preferred the Mists of Avalon better (as do I) is that MZB has such a great way of writing, and if you look at the differences between the Mists of Avalon and Exile's Song, there is a BIG difference, just because of the certain way she changed her writing for those novels. THE FALL OF ATLANTIS will compel you to sit and relax on a hot summer day to cool down in the shade under a tree, but it won't leave you wanting more.

Kurzbeschreibung A wounded Atlantean prince...a deadly battle between Dark and Light...and the sisters Deoris and Domaris, whose lives are changed utterly by the magic involving them. These are the elements of The Fall of Atlantis, Marion Zimmer Bradley's epic fantasy about that ancient and legendary realm. On one side stand the Priests of the White Robe, guardians of powerful natural forces which could threaten the world if misused. Ranged against them are the Black Robes, sorcerers who secretly practice their dark arts in the labyrinthine caves beneath the very Temple of Light. Caught between are Domaris and Deoris, daughters of the Archpriest Talkannon, trapped in a web of deadly sorcery the same forbidden sorcery that could bring about The Fall of Atlantis. Previously published separately as Web of Light and Web of Darkness. At the publisher's request, this title is sold without DRM (DRM Rights Management).
