Von Anina Karinna will die Verantwortlichen für den Tod ihrer Schwester zur Strecke bringen. Ohne ihr Wissen plant Xander ein Sentinelengel das auch. So weit so bekannt. ... Die Tiefen und Abgründe der Gefühle der

Protagonisten werden ausgeleuchtet, was einen an die Beiden und die Story bindet. Meine Warnung: Kindesmissbrauch, Folter, Vergewaltigung, - das ist nicht der typische SoftBDSM wie man es kennt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dark and twisted Von -Kunde This book really is something else. Rape, murder and torture as the basic storyline with a pretty brilliant twist at the end. The motif of angels in an absolutely new way. Biggest critic is that a lot of the decisions and actions of both protagonists are illogical, repetitive and sometimes downright stupid. All in all a disturbing, but still well done book.

Kurzbeschreibung To catch the Fallen, you have to become the very evil you were bred to slay. Show loyalty. Be willing to go deep into the gritty underbelly of the world, where the vilest acts of human carnage thrive and seep into your mind like a black poison, consuming every part of you that was once good. Ignore your dark cravings and keep to the most important rule of all: never save the mortals. This is the life of a Sentinel. Some call us the toughest angels in the heavens. Unbreakable. But even the strong can break in the face of temptation. Human females have always been the forbidden fruit for our kind. An enticement I've resisted for centuries, until she came along. Karinna lusts for vengeance. She wants inside the darkness, where the Fallen own the corrupted streets of Detroit. The perfect bait to take down the biggest crime ring the city has ever known. I want her. To have her, though, I'll have to break the rules. For one taste of the forbidden, I'll have to commit the most heinous sin of all. The Sons of Wrath series is a paranormal romance featuring sexually-charged, vengeance-dealing demons, the non-cuddly variety of werewolves, sweet-talking succubi, and some creepy fallen angels. You've been warned. Kurzbeschreibung To catch the Fallen, you have to become the very evil you were bred to slay. Show loyalty.
