Von Marisa Oldham : The Falling of Love (The Falling Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Falling of Love (The Falling Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Im Hooked!Von JimWow what a great story! I was hooked from the start and couldnt put it down. You will want to read this love story, but be sure to keep a box of tissues handy, youre going to need them. This is not a light read, it is a heart wrenching emotional journey through the treacherous rapids of young love. I have nothing but praise for this

author. She breathed real life into the characters and described the settings and situations with clarity and grace (no pun intended). The story flows along well, taking you through both predictable and unpredictable twists and turns. In the end you are emotionally wrung out, but deeply satisfied. Which is not to say that you won't be hungering for more, you will be. That's all I have to say because I'm off to find book 2!

Kurzbeschreibung You will never forget your first date, your first kiss, or your first love. You'll also never forget how it felt when it was torn apart. Seventeen-year old Grace Hathaway does not give much thought to falling in love, until the day that Ian Taylor, rebel and misfit walks into her math class. From their first conversation, Grace is mesmerized by Ian's charisma and rock star facade. Ian Taylor, a seventeen-year old kid from the wrong side of the tracks tries to ignore the feelings he has for Grace, but is captured by her caring, non-judgmental personality from the moment they meet. Grace becomes Ian's everything and there is nothing he will not do for her. Hurting her was never part of his plan. ***Recommended for ages 18+ due to sexual content, drug use, and strong language.*** s for The Falling of Love: This book was emotionally wrenching and really pulls at you. You get angry, you get furious and you definitely feel sad, but you also feel and see the love between Marisa's characters and you see the confusion her characters are experiencing because of the various hurdles. This is a book you don't want to miss!! The ending is in a word ... POWERFUL!!! I am so glad I had the opportunity to read it and will definitely be in my to be read again list! The reality of the story was intense and the emotions that it stirred were immense. Looking forward to more from this author! The Falling of Love is the first novel in a series of novels that will follow Grace Hathaway's life and personal struggles. Everyone has a beginning to their story and an end... This is the beginning of Grace's story.
