Von Kaje Harper : The Family We Make (Finding Family Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Family We Make (Finding Family Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. wunderschne LiebesgeschichtenVon E.T.ber den Inhalt des Buches ist genug geschrieben.Kaje Harper schafft es in jedem ihrer Bcher, die Protagonisten so lebendig darzustellen, dass man am Ende des Buches das Gefhl hat, sich von Freunden verabschieden zu mssen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Tragisch gutVon

emseMan fiebert jeden Moment mit und leidet gemeinsam mit Rick und Travis. Wunderschöne Geschichte von Kaje Harper, auch wenn es meiner Meinung nach nicht ihre beste Serie ist. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Well written Von SunneKaje Harper - do I need to say more? She still has to write a book I wouldn't be sucked in.

Kurzbeschreibung At seventeen, Rick Albright left his home, his parents and even his old name, rather than pretend to be straight. But being on his own was hard. When his big brother Sam found him, and insisted on giving him a place to stay, he didn't resist too long. Living with Sam is better than fighting just to survive, but it's not easy to find his balance in a simple, small-town life, after his time on the streets. Travis Brinkerhoff finally managed to come out in college, his second year anyway. It was the one bright side to losing his baseball scholarship and jock status. But without money for tuition, second year came to an abrupt end. He's back in his small Minnesota hometown, and back in the closet. Travis feels like he's trying to fit into a life he's outgrown. If he's going to survive, he has to figure out a way to be his own man, maybe even have his own man, without losing the family he loves. When he left the Marines, Sam Albright wanted nothing more than to find his missing younger brother. Mission accomplished. Now he's got an independent, possibly traumatized, openly gay young man on his hands, a girlfriend in a war zone overseas, and parents he has to lie to in order to keep the peace. Keeping it all together won't be easy, but Sam has never backed away from a challenge.
