wieder Zeit, um schne winterlich-weihnachtliche Geschichten für die dunkle Jahreszeit zu sammeln. Diese hier kann ich absolut empfehlen! Darum geht es: Jesse und Devin sind schon einige Jahre ein Paar, für Jesses Familie war das nie ein Problem. Deshalb ist Jesse wie vor den Kopf geschlagen, als seine Mutter ihm sagt, dass dieses Jahr sein Partner Devin nicht wie blich am familiären Weihnachtsfest teilnehmen darf, sondern tatsächlich alleine im Hotelzimmer bleiben soll. Jesses Mutter bekommt nämlich zum ersten Mal Besuch von ihrem Erstgeborenen, den sie nach der Geburt weggegeben hat. Er ist im konservativen Süden groß geworden und soll nicht gleich mit einem schwulen Halbbruder verschreckt werden. Nur sehr widerwillig und nach gutem Zureden von Devin erscheint Jesse überhaupt bei seiner Familie. Und erlebt mit dem unbekanntem Halbbruder Sam eine ziemliche Überraschung. So fand ich: Jesse glaubt, seine Familie sei damit im Reinen, dass er schwul ist und mit Devin zusammenlebt. Deshalb schockiert es ihn total, als seine Mutter versucht, diese Tatsache vor ihrem Sohn Sam, Jesses Halbbruder, geheimzuhalten. Sie hat Sam nach der Geburt weggegeben und es ist eine große Sache für sie, ihn endlich wiederzusehen. Dass Jesse eine falsche Fassade aufrecht erhalten soll, regt ihn so, dass er am liebsten gleich wieder abreisen würde. Doch dann setzt er sich mit Sam auseinander. Diese Geschichte ist, hat ein bisschen Spannung und Aufregung mit dabei, bleibt trotz der Kürze nicht an der Oberfläche und macht deshalb einfach rund herum Spaß. 0 von 0 Kunden fanden die folgende Rezension hilfreich. "It's the principle!" Von Querleser Jesse is upset and really mad at his mother for asking him to not bring his boyfriend for Christmas Eve. And why? To make sure that Sam won't be uncomfortable. Sam, that's Jesse's half-brother, adopted by a couple from Texas, cause their Mom was only 16. Well, not his problem. But Devin, Jesse's boyfriend agrees to stay in the hotel, although he doesn't agree with Jesse's mother. It's a wonderful story about the problems and imperfections of a family. And a story about the problems with principles. And even a mother, who didn't want for her son to be gay and ask him to hide his sexuality in favor of a good impression, even this mother is authentic and sympathetic in her own way. She is old-fashioned and struggles to accept her gay son and his boyfriend. And most times she is allright with them, but of course she doesn't want his son to be gay. She just has to deal with it. And her hopes and fears concerning her other son, whom she meets for the first time on Christmas Eve. Is it really so bad, that she just wants all to be perfect? With his unknown son being a marine and from Texas at that. There's no need to be all gay for his first visit. Is there? You don't choose your family, neither your sexuality. Harper presents a wonderful short story with authentic strong characters in a world that isn't only black and white, but full of grey, too.

Kurzbeschreibung Jesse Calhoun met Devin Palmer five years ago, in front of a Christmas tree at a friend's party. It was Jesse's first holiday alone, away from home. Devin didn't have much of a home to go back to. They found a way to make the season brighter, together. Four years ago, Jesse brought Devin to his parents' house and came out to them. It wasn't all roses, but his family came around, and Devin has spent each holiday with the Calhouns since then. Jesse really loves sharing Christmas with family, and sharing his family with Devin. So he isn't prepared to hear his mom say, I don't want Devin to come to the house for Christmas Eve this year. Suddenly it's not smooth sailing, keeping peace with the family he was born with. Any Royalties from this book will be donated to The Trevor Project, which provides vital services to LGBT youth.
