**Von Lori Handeland : The Farmer's Wife (The Luchettis Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Farmer's Wife (The Luchettis Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice read Von ClaudiH Found this book in the free downloads section, and it was a really nice read. Although it was easy to guess the couple's secret early on, I still wanted to know where the story went, and it was an easy and quick read. I liked it enough to buy the other books in the series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach

nur nett Von Stefanie Hab diese Romanze sehr gern gelesen. War einfach nur nett beschrieben und hat viel Spaß gemacht. Man darf nichts intellektuelles erwarten, aber für mich war es ein kurzweiliger Roman, der mich gefesselt hat und den ich ihn am Liebsten in einem Rutsch durchlesen wollte.

Kurzbeschreibung" . . . a remarkable glimpse into the many relationships people experience in their lives as husbands and wives, parents, children, siblings, friends and lovers." Romantic Times The secret they've kept can either bring them together or tear them apart. Youngest sibling and only sister, Kim Luchetti returns to the Illinois family farm after her father's heart attack. Eight years ago she vowed never to return, believing only distance would allow her to forget the tragedy that broke her heart. Returning means she must face everyone's questions, including those of her first love, Brian Riley, the only one who knows her secret. Brian has always loved Kim, despite his hurt and anger over her having abandoned him when he needed her the most. When she appears at his farm, surprise causes him to tumble off the barn roof and break both of his wrists. Kim's guilt makes her agree to stay and help him until he is healed. Living in such close proximity forces Kim and Brian to face the past and their unresolved feelings. Will talking about what happened help them heal? Or will the memories of their heartbreak keep them apart forever? The Farmer's Wife is the first book in the six book Luchettis Series by New York Times Best Selling author Lori Handeland. If you enjoy Kristan Higgins and Robyn Carr download The Farmer's Wife today!
