Ich bin kein Profi in Englisch, aber man kann das Buch wirklich sehr gut verstehen weil es relativ leicht geschrieben ist. Ich finde die Story so schn. Ich habe das Buch gelesen und musste mir dann gleich noch den Film anschauen ("das Schicksal ist ein mieser Verrter"). Bei dem Film

musste ich am Ende heulen. Also wer Fan von traurigen Geschichten ist der muss sich das Buch auf jeden Fall bestellen ! ;o) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein LESE MUSS :) Eine unglaublich toll/traurige Geschichte Von BritThe Fault in Our Stars/ oder auch Das Schicksal ist ein mieser Verräter ist ein Buch, dass man nicht so schnell vergisst :) Ich habe es im Englischen Original gelesen und war von der Schreibweise John Green's absolut begeistert. Die Story schildert ein paar Wochen im Leben von Hazel, einem Teenager der an Krebs leidet und gelernt hat, irgendwie damit klar zu kommen. Natürlich ist Hazel nicht allein mit ihrem Schicksal, neben ihren Eltern, die ihr zur Seite stehen, geht sie zu "Selbsthilfegruppen" mit sehr ansanften Mitgliedern und einem leicht verrückten Gruppenleiter und natürlich, wie sollte es auch anders sein, lernt Hazel einen Jungen kennen. Augustus, der nicht nur gut aussehend sondern auch intelligent ist und der Hazel zeigt, wie toll das Leben sein kann, wenn man auf jemanden trifft, der einem den Kopf verdreht und der einen besser versteht als manch anderer. Hazel und Augustus Geschichte ist liebevoll, interessant, Herz erweichend und zerreiend und ich kann sie nur jedem empfehlen. Das Buch bringt einem zum schmunzeln lachen und hin und wieder war auch ein Tränenchen in meinem Auge (obwohl ich echt nicht nah am Wasser gebaut bin). Jeder der einen Roman mit viel Gefühl, Mut zum Leben und einfach eine toll/traurige Geschichte lesen will, wird begeistert sein :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Awesome book! Awesome author! Von Kris ReviewerThe reason I ordered this book, is because lots of other YouTubers were talking about it, and the author, John Green - is a fellow YouTuber, (with his brother Hank -- VlogBrothers) and I wanted to support him. I haven't read it to the end yet, but I know I will, and I love what I have read so far. It's sad, but enjoyable. I love that the characters in the book are shown in an intelligent light, although they are so young. Not all teenagers are dopey, and immature ;-) ... I can only recommend this book, and I am looking forward to reading more of John's books, and also to seeing the movie when it's out!

Kurzbeschreibung John Green's witty yet heart-breaking tour de force. The multi-million #1 bestseller, now a major motion picture starring Shailene Woodley and Ansel Elgort. "I fell in love the way you fall asleep: slowly, then all at once." Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. Insightful, bold, irreverent, and raw, *The Fault in Our Stars* is award-winning author John Green's most ambitious and heartbreaking work yet, brilliantly exploring the funny, thrilling, and tragic business of being alive and in love. ** A thought-provoking love story from the New York Times bestselling author of *Looking for Alaska*, *An Abundance of Katherines*, *Paper Towns* and - with David Levithan - *Will Grayson, Will Grayson*. ** John Green has over 2.3 million Twitter followers, and more than 2.1 million subscribers to *Vlogbrothers*, the YouTube channel he created with his brother, Hank. ** *The Fault in Our Stars* will capture a crossover audience in the same vein as *Zadie Smith*, *David Nicholls' One Day* and *Before I Die* by Jenny Downham. ** 'Electric . . . Filled with staccato bursts of humor and tragedy' - Jodi Picoult ** 'A novel of life and death and the people caught in between, *The Fault in Our Stars* is John Green at his best. You laugh, you cry, and then you come back for more' - Markus Zusak, author of *The Book Thief* **PRESTIGE** **ACCLAIM FOR THE FAULT IN OUR STARS: Damn near genius . . . The Fault in Our Stars is a love story, one of the most genuine and moving ones in recent American fiction, but it's also an existential tragedy of tremendous intelligence and courage and sadness. Lev Grossman, TIME Magazine** This is a book that breaks your heart not by wearing it down, but by making it bigger until it bursts. *The Atlantic* A story about two incandescent kids who will live a long time in the minds of the readers who come to know them. *People* Remarkable . . . A pitch-perfect, elegiac comedy. *USA Today* A smarter, edgier Love Story for the Net Generation. *Family Circle* Because we all need to feel first love again. . . . Sixteen-year-old Hazel faces terminal cancer with humor and pluck. But it isn't until she meets Augustus in a support group that she understands how to love or live fully. *Oprah.com*, a Best Book selection and one of 5 Books Every Woman Needs to Read Before Her Next Birthday [Green's] voice is so compulsively readable that it defies categorization. You will be thankful for the little infinity you spend inside this book. *NPR.org* Hilarious and heartbreaking . . . reminds you that sometimes when life feels like its ending, it's actually just beginning. *Parenting* magazine John Green deftly mixes the profound and the quotidian in this tough, touching valentine to the human spirit. *The Washington Post* [Green] shows us true love two teenagers helping and accepting each other through the most humiliating physical and emotional ordeals and it is far more romantic than any sunset on the beach. *New York Times* Book In its every aspect, this novel is a triumph. *Booklist*, starred review You know, even as you begin the tale of their young romance, that the end will be 100 kinds of awful, not so much a vale as a brutal canyon of tears. . . . Green's story of lovers who aren't so much star-crossed as star-cursed leans on literature's most durable assets: finely wrought language, beautifully drawn characters and a distinctive voice. Frank Bruni, *The New York Times* A novel of life and death and the people caught in between, *The Fault in Our Stars* is John Green at his best. You laugh, you cry, and then you come back for more. Markus Zusak, bestselling and Printz Honorwinning author of *The Book Thief* *The Fault in Our Stars* takes a spin on universal themes Will I be loved? Will I be remembered? Will I leave a mark on this

world?by dramatically raising the stakes for the characters who are asking. Jodi Picoult, bestselling author of *My Sisters Keeper* and *Sing You Home* John Green is one of the best writers alive. E. Lockhart, National Book Award Finalist and Printz Honorwinning author of *The Disreputable History of Frankie Landau-Banks* and *We Were Liars*
