Steele ist eine tolle Serie! Von Jrg Milewski, bzw. seine Ehefrau für die er das Buch erworben hat. Ich habe (meiner Meinung nach) jeden Band der Dirk Steele gekauft und teilweise mehrfach gelesen. Die Autorin entwickelt einen phantastischen Reichtum an Einfällen. Sicherlich, jeder ihrer Helden ist ein Supermann - aber warum auch nicht? Eigentlich möchte doch jede Frau solch perfekte Liebhaber und treue Seelenpartner auf Dauer für sich gewinnen. Ich lese auch gern die aktuellen US-Teenager-Serien ("Engel der Nacht" oder "Evermore"), doch das sind eben Teenager-Serien und daher verständlicherweise - leicht prde. Das ist es, was mich an den Bchern von Marjorie M. Liu so freut: Sex ist erlaubt, wird beschrieben aber nicht obszön sondern ehrlich und gut lesbar dargestellt. Schön ist es, da die Paare für immer zueinander finden. Bemerkenswert finde ich, da Drogen und Zigaretten Tabu sind. - Ich habe die Serie zunächst mit den auf deutsch erschienen Bänden begonnen, um dann die noch nicht bersetzten auf englisch weiter zu lesen. Mein Fazit: Die "novels" von Marjorie M. Liu sind für mich (69 Jahre alt) so etwas wie "Karl-Mays" für erwachsene Frauen, die mit Romantic-Fantasy noch etwas anfangen können. Der vorliegende Band hat mich genauso gepackt, wie alle anderen. Bitte erwarten Sie keine Inhaltsangabe, die kann man woanders finden. Ich empfehle alle Bcher der Schriftstellerin. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another different story Von Helen Hancox Each time I read a book by Marjorie Liu I don't know where the story is going and 'The Fire King' was no different, keeping me guessing the whole time. The author has a real skill with words, painting an interesting story with characters who are flawed but sympathetic. In this story our heroine, Soria, is gradually revealed to us. We discover fairly early on that she has been living on her own and no longer working for Dirk Steele, the Agency staffed by shapeshifters and other unusual people. We also find out that she has an amazing facility with languages and is able to speak any language on earth. She is also disabled, having only one arm - the other was lost in some unspecified way just over a year before the story begins. Soria's talent for language is needed when Dirk Steele learn of a strange shapeshifter whose language no-one can understand. When Soria is sent to talk to this person, Karr, she finds herself embroiled in an ancient feud that is still playing out today. She and Karr flee for their safety through Mongolia, but they may never be safe from those who seek to destroy Karr. As we learn about Soria's past and as she and Karr learn to trust each other, a significant history in the world of the shapeshifters is uncovered. I enjoyed this book very much, never knowing what was going to happen next and finding the exotic setting and the variety of different people very interesting. There's a love story, of course, although in some ways that part of the book didn't feel complete; there were some loose ends at the close of the book which I imagine may be picked up in a future book. I've found Marjorie Liu's work occasionally misses the mark for me but this book was a good read and enjoyable in its novelty. Originally published for Curled Up With A Good Book Helen Hancox 2010

Kurzbeschreibung Readers of early Laurell K. Hamilton, Charlaine Harris, and the best thrillers out there should try Liu now. Publishers Weekly In the realm of paranormal romance, no author burns hotter than New York Times bestselling author Marjorie M. Liu! The Fire King is yet another blazing example of her originality, sensuality, and breathtaking storytelling prowess. Her passionate tales centered around the mysterious Dirk and Steele Detective Agency with its roster of enigmatic psychics, telepaths, shapeshifters, and extraordinary beings have set a high standard for this popular romance subgenre. In The Fire King, her tormented shape-shifting heroine once almost a god, now much more than a man freed against his will from an eternal darkness, must overcome his rage and the pain of his tragic past by accepting the love of a remarkable woman with an extraordinary gift. A Romantic Times ers Choice Award winner and multiple RITA Award nominee, Liu is not to be missed if your taste is for love stories from the supernatural side. In fact, Christina Feehan, arguably the Queen of paranormal romantic fiction, says, Anyone who loves my work should love hers. Kurzbeschreibung Readers of early Laurell K. But even gods have laws that they break at their own peril . . . Each member of Dirk Steele has a unique ability. Soria's is the gift of communication which is why she's been chosen to learn the language of a tormented warrior resurrected after thousands of years of icy sleep. He is Karr, and once he was a king. Strong as a lion, quick and deadly as a serpent, he saw everything he loved consumed in flames. Death was to be his salvation, but thousands of years later he has been awakened against his will. Now a breathtaking human moves him in ways he neither understands nor desires. But Soria

can see beyond his rage . . . and only she can speak the words that will cool the destructive fury in his soul. Words of love.
