start to a new series! Von Filerimos The Fire King`s Daughter is the start of a fantasy love story for young adults (cough` Even for people who are a bit older.LOL). I liked Heidi and Isaiah a lot and loved their jibes.

Kurzbeschreibung**Reuploaded on 11/16/2013 for cover image** At twenty years of age, Isaiahs got a bright future ahead of him. Hes popular, hes handsome, and all the ladies sigh when he walks by. Maybe its his smirk, or perhaps its the beautiful color of his eyes, but one thing is for sure-he is the coolest guy on campus. Heidi is a bit hot-headed, she can admit. She doesnt have much patience when it comes to Isaiahs ridiculous behavior. Her fuse is short and it doesnt help when hes always making snide remarks about her preference to read instead of going to parties. Shes nineteen and trying to find her way in the world, except theres one minor detail that sets her apart from the average girl. Our world is not theirs. They are royalty. Isaiah is the prince of Ice and Heidi is the princess of Fire. In an effort to keep them safe when their kingdoms are attacked by unknown forces, their parents sent them to earth. For the time being, Heidi is stuck in North America with Isaiah, attending a small community college and attempting to blend in. Its not as easy as humans make it seem. Worried about her father and their kingdom, Heidi has a difficult time adjusting to life on a foreign planet, and being with Isaiah doesnt make it any easier. With new enemies entering their lives and old wounds being reopened, will Heidi and Isaiah be able to set aside their differences long enough to save their world? Will they be able to save ours? -----Approximately 55,984 words.--COMING SOON--The Water King's Bride (Book #2) Kurzbeschreibung**Reuploaded on 11/16/2013 for cover image** At twenty years of age, Isaiahs got a bright future ahead of him.
