Von Pauline M. Ross : The Fire Mages (Brightmoon Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fire Mages (Brightmoon Book 2) (English Edition):

KurzbeschreibungA stand-alone epic fantasy set in the Brightmoon worldKyra has always been drawn to the magic of spellpages. Shes determined to leave her small village far behind and become a scribe, wielding the power of magic through her pen. But a simple favour for her sister goes disastrously awry, destroying Kyra's dreams in an instant.What went wrong? Devastated, she accepts an offer to find out from a stranger, who sees growing power within Kyra, potentially stronger than spellpages. While she struggles to understand her magic, shes surrounded by the greed and ambition of the court, uncertain who to trust. The answers may lie within the glowing walls of the Imperial City, but its magic is strong and the unwary vanish without trace on its streets. Kyra will have to learn fast to survive.
