Dominanz und Submission Von Bianca Flier Ich mag die BDSM-Geschichten von Natasha Night. Sie sind stellenweise etwas hart - so auch diese - aber wirklich packend. Die Autorin versteht es, die Leser in Atem zu halten. Auch wenn der zupackende Feuerwehrmann im Bestreben, sein Geliebte aus der Gefahr zu retten, hin und wieder zum Spanking

greift - es passiert nie etwas, was nicht beide mgen und wollen. Und die Leser haben ihre Vergngen.

KurzbeschreibungWhen twenty-eight-year-old Rebecca Banks learns that her next physical therapy patient is none other than Sawyer Hayes, she stays professional, but deep down she cant help but panic. She hasnt seen Sawyer for ten years, and their last meeting ended with him giving her a spanking she would never forget. Now Sawyer is the fire chief in the small town that has become her home, and it is an injury sustained in the line of duty which has brought him back into her life.Even as he works hard on his recovery, Sawyers mind is on something else repairing Rebeccas trust in him. When her deadbeat boyfriend and his family implicate her in a serious crime and shes sent to the local jailhouse to await trial, Sawyer pays her bail and brings her home with him under the condition that she obeys him and that disobedience will have consequences.Rebecca agrees, but when she defies her self-appointed guardian she soon finds that a hard, bare-bottom spanking is far from the most embarrassing punishment Sawyer is prepared to employ. Though Sawyers punishments leave her with cheeks blushing as red as her well-spanked bottom, they also ignite feelings and desires she never knew she had, and soon his fierce need to dominate and lead her is matched by her growing need to obey him.Rebecca and Sawyers newfound romance grows quickly, but the stress of preparing for her upcoming trial continues to build and she fears the verdict will send her to prison. Can her firm-handed firefighter protect her, or will she be torn from his loving arms?Publishers Note: The Firefighters Girl is an erotic romance novel that includes spankings, sexual scenes, anal play, and more. If such material offends you, please dont buy this book.
