great book. It Keeps you on the edge of your seat. Von Ein Kunde It was a great book, that's if you like sort of scary books. I thought it was awesome. I thought it was creative of R.L. Stine to have the people die the way he did. I would really suggest the book for more older than younger kids. Well if you decide to read the book and like it, I would suggest reading the sequels. {The Second Horror and The Third horror}. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Von Ein Kunde 99 Fear Street is the best series yet! The R.L. Stine sets off the stage of reading is incredible! The way Kody is jealous of her so perfect sister Callie, and the way the family ends up after the ending. Read this book, it's amazing, exciting, and way to cool. This book is TIGHT!
