**Von Terry Brooks : The First King Of Shannara** before purchasing it in order to gage whether or not it would be worth my time, and all praised The First King Of Shannara:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Beste Fantasiereihe, die ich bisher gelesen habe Von Mario Dengler Terry Goodkind - einfach WOW! ich habe alle Bnde in deutscher Fassung (Buchform) gelesen (bersetzung perfekt!) und nun auf meinem KINDLE in englischer

Originalversion.+ tolle Story+ berraschende Wendungen+ sehr kreativ mit vielen neuen Wesen/Kreaturen+ natrlich voller Magie aber auch Menschenverstand :)Absolute Leseempfehlung wer sich auf Fantasie einlassen will.Mit freundlichen Gren!

Von Corpmjo2017Well, I just finished Blood Of The Fold and I am firmlyconvinced that Terry Goodkind and Robert Jordan are actually the same person. Hey, that's not bad! I love bothSeriously, I feel that Goodkind has borrowed more thanhis fair share from Jordan, but he still tells a great story. The action is nonstop(although I could do with less brutality) and my breathing quickens as I turn each page. As fast as I can.My biggest problem now is waiting for BOTH Goodkindand Jordan to publish their next book! Three cheers for Master Rahl!! Mark Luuug Raaaach

Von Ein KundeI seeing the constant comparisons to Robert Jordan, I find it rather funny how completely different the authors really ARE, yet are compared so MUCH. Sure, there ARE similarities, but a REAL read of both authors finds that they are purely coincidental, and not meant to 'rip-off' the other. BOTH authors are good in their own way, and the comparisons are as fair as saying that Star Wars ripped off Star Trek simply because the Millennium Falcon jumps to Hyperspace. I 'SEE' the similarity, but I also realize they are COMPLETELY different, and not as similar as some would like to think. After originally reading 'Blood of the Fold' I felt a bit dissappointed when compared to the first two books...but now after re-reading it, I have decided that my original 'review' was a bit harsh. The only book in the series that was truly a let down was the most recent, "Soul Of The Fire". Other than that, the first 4 books are clearly superior to most (if not all) fantasy novels in print today. I AM partial to Goodkind, but that doesn't mean I can't see the obvious talent that Jordan has...but for ME, Goodkind seems to hit home, just like Jordan 'clicks' with others and SOME find them ALL worthless. Reviews are just opinions, and we ALL know how varied they can be, right? You just have to read the books for yourself to make a judgement call. So go ahead and read Jordan AND Goodkind and make up your OWN mind. Either way, if you are a fan of fantasy, you will most likely enjoy EVERY minute. Happy reading!

KurzbeschreibungAfter the terrible misuse of magic during the First War of the Races, the Druids at Paranor devoted themselves to the study of the old sciences. But dark forces were on the move from the Northlands, and it was left to Bremen and those few who supported him in his work with the arcane arts to stand against the enemy's seemingly-invincible Troll army. For at the heart of the evil tide was an archmage and former Druid named Brona...Using the special skills he had acquired through his own study of Magic, Bremen was able to penetrate the huge camp of the Troll army and learn many of its secrets. And he immediately understood that if the peoples of the Four Lands were to escape eternal subjugation they would need to unite. But, even when united, they would need a weapon, something so powerful that the evil magic of Brona, the Warlock Lord, would fail before its might....deDark forces are on the move from the Northlands, and Bremen, an outcast Druid, learns of the huge Troll armies on the march and the Skull Bearers who act as their spies. To save the Druids, Bremen must convince the people of the Four Lands that their only hope lies in uniting -- and in using the magic they fear above all else..comDark forces are on the move from the Northlands, and Bremen, an outcast Druid, learns of the huge Troll armies on the march and the Skull Bearers who act as their spies.
