SchmidThis book is, like all books from Mitch Albom, very entertaining - light reading with a deep message underneath. It's a good book just to relax and think about the pros and cons of a life thereafter.1 von 2 Kunden fanden die folgende Rezension hilfreich. the extent of Mitch Albom's talent as an entertaining writer. It is a pleasurable book to read. In fact, when I first picked up the book, was looking forward to a good read, but I did not bargain for sweeping effect it had on me as I kept turning and turning pages until I came to the end of the book. It is a story from an unusual angle and brings to mind his previous work *The Five People you Meet in Heaven*, and *The Usurper and Other Stories* by Janvier Chando. I am looking forward to more Mitch Albom stories with their brilliantly composed story lines.

Kurzbeschreibung One last chance. What would you say?
