Von Matthew Reilly : The Five Greatest Warriors: A Novel (Jack West, Jr.) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Five Greatest Warriors: A Novel (Jack West, Jr.):

Kurzbeschreibung The New York Times bestselling sequel to the bestsellers *The Six Sacred Stones* and *Seven Deadly Wonders*. It began with six stones... From the deserts of Israel to the tsunami-lashed coasts of Japan, from the steppes of Mongolia to the most mysterious island on Earth this is what we have come to expect from Matthew Reilly: stupendous action, white-knuckle suspense, heroes to cheer for, and an adventure beyond imagination. Strap yourself in and hold on tight as he unleashes his biggest and fastest adventure yet, *The 5 Greatest Warriors*. When we last left Jack West Jr., he was plummeting into a fathomless abyss and his quest to save the world from impending Armageddon appeared doomed. But all hope is not lost. After an astonishing escape, Jack regroups with his trusty team. Racing to rebuild the final pieces of the fabled Machine, they discover an ancient inscription containing a rhyme about five mysterious unnamed warriors—great historical figures whose knowledge will be vital to unlocking the secrets of the Machine and its long-lost pillars. But the ancients have hidden their secrets well, and with each pillar bestowing an incredible power upon its holder, their pursuit has attracted the attention of other forces from around the world—some who want to rule it and others who want to see it destroyed. With enemies coming at him from every side and the countdown to doomsday rapidly approaching, Jack and his team had better move fast. Because they are about to find out what the end of the world looks like... *Pressestimmen* Thrills and spills galore... Ancient Egypt, biblical figures and a search for the truth all figure in Reilly's outstanding tale. A blinding read. (THE SUN) *Pressestimmen* 'Fast-paced, cartoon-like characters and wallops of action.' CATHOLIC HERALD 'If your taste is for high-octane, fast-moving narratives in a blockbusting novel, search no further.' GOOD BOOK GUIDE
