Certainly not for the faint-hearted. Von LenaRibkaBoo! It was heavy. Even for me. It was good written, no doubt. But the story.... Poor guys!.. How I hated myself for not being able to put it down!.. Though as I have seen that there are already 10 parts of this series- at least on the evening of 27 September 2013 it was- I was a bit confused. Do I really want to read all this depressive stuff?! I don't have a secure answer to this question. Not yet. But I'll read the next part. That's definite. 0 von 0 Kunden fanden die folgende Rezension hilfreich. **Flesh Cartel** Von H. Pospisil Verstrengte Geschichte von höchster Brutalität und sadistischen Untergriffen über einen Menschenhandel im homosexuellen Umfeld. Das Buch ist packend geschrieben und wird den Leser nicht so schnell loslassen. Leider ist es in ziemlich viele Teile gespalten und relativ teuer. Auch ist das Ende nicht befriedigend für mich gewesen. Nicht geeignet für Menschen mit Harmoniebedürfnis. Nicht geeignet für Menschen unter wengstens 21 Jahren.

Kurzbeschreibung In this first installment of the exciting psychosexual thriller *The Flesh Cartel*, orphaned brothers Mat and Dougie Carmichael are stolen in the night from their own home. Taken to a horrifying processing facility, they are assessed, microchipped, and subjected to unspeakable brutality all in preparation for sale to the highest bidder. In a world where every person has a price, the beautiful and subduable PhD student Dougie is highly prized. His brother, a rough-edged MMA fighter, is less desirable and potentially too dangerous but he still has his own appeal. Abused and locked up under round-the-clock surveillance, with no idea where they are or even why they've been taken, escape seems impossible, which leaves staying together their only hope. And after being separated once by the foster system, they'll do anything to keep it from happening again. Anything at all. Reader discretion advised. **Kurzbeschreibung** In this first installment of the exciting psychosexual thriller *The Flesh Cartel*, orphaned brothers Mat and Dougie Carmichael are stolen in the night from their own home.
