Von Cleo Cordell : The Flesh Constrained (Modern Erotic Classics) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Flesh Constrained (Modern Erotic Classics) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 5 Kunden fanden die folgende Rezension hilfreich. Medieval plot with lots of sex, gore and bad guys.... Von Minnesota Raven I actually didn't find this boring which is why it got 3 stars. I have to admit it. I got the book because I thought it would be sexually graphic. What can I say. I

bought it because I was traveling and you need something to keep you entertained in an airport. Well it did. It won't win any literary prizes but it had a story line, well developed characters and plenty of sex. All kinds of sex so it should please anybody. Only at the end did it seem like the author got a little rushed and the lead female's sudden attraction to another female character is never fully written out and so you are left feeling confused because her actions make no sense. But all in all it was entertaining.
