**Von Effrosyni Moschoudi : The Flow: A WWII British drama (The Lady of the Pier Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Flow: A WWII British drama (The Lady of the Pier Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Awesome 2nd book in the Lady of the Pier trilogyVon Karen O.The second book in the trilogy brings us back to its

protagonists from two different times and locations. In 1938, Laura Mayfield loses her mother Ruth; Charles is back to claim Laura for good - at all costs. In 1987/1988, Sofia Aspioti works hard to prepare for her stay in Brighton, looking forward to studying art and design. The Lady appears in her dreams more often, even during the days. I will not tell you more about the story than shown in the Goodreads plot description. This would spoil the fun of reading this book yourself. With *The Lady of the Pier: The Flow*, Effrosyni Moschoudi has created the intriguing second book of her paranormal romance series: *The Lady of the Pier: The Flow* is an entertaining and fast read, has a great flow, being an expertly woven story. I was drawn into the story right away. I felt close to what happened in both times and countries. All relevant characters became so real that I 'reacted' to them. Effrosyni's descriptions create a live sensation i.e. you easily see, hear, and smell. I have only once before felt this burning wish to visit Greece and/or Corfu (while reading *The Lady of the Pier: The Ebb*). :-D It makes sense that both threads end with a cliffhanger. In this case I do not mind at all, knowing that the next volume will solve what I do not know, yet. Moreover, the cliffhangers give the readers the great opportunity to imagine what might come to pass. This is a book and/or series to read again. Highly recommended.

Kurzbeschreibung She won't find peace until she finds redemption. But it'll take more than love; it'll take two worlds, to merge into one. CORFU 1988 Sofia arrives in Vassilaki brokenhearted over Danny. Just as a new boy comes into her life, the strange dreams start anew. Now in Brighton, she meets Danny again, but he blows hot and cold. When she sees a female apparition on the West Pier, she finds out the locals call her 'The Lady of the Pier'. Is this the woman in her dreams and why is Sofia the only one who can see her? BRIGHTON 1938 Laura and Christian enjoy a blissful summer, while Charles watches from a distance, waiting for the right time to intervene. This time, he's prepared to do something truly vile as to leave nothing to chance. WWII breaks out, and Laura does her best to settle in a new life, having paid a terrible price. Will she find happiness at last, or will the past continue to haunt her? *The Flow* is a World War II British drama where the stories of Sofia and Laura begin to merge, leading to a powerful ending. In the next volume, *The Storm*, the two stories finally become one. Kurzbeschreibung She won't find peace until she finds redemption.
