A delight from start to finish Von lojos2rt@aol.com This is a terrific escape book, one that deserves a "10" rating for its entertainment value. The characters are appealing, the language is incredibly clean by today's standards, and there is much laugh-aloud humor. "Chip of the Flying U" is tremendous fun! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Positive comments from a Montana ranch kid. Von Ein Kunde As a Montanan cowgirl myself, I found Chip of the Flying U truthful and entertaining. The characters are real and the story is innocent. B.M. Bower knew the characters she created and it shows. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice, easy read Von Customer This book is just a cute little book definately from a time gone by. Easier read than a Lamour, but still a pretty solid western, even by today's standards.
