**Von Sabrina Jeffries : The Forbidden Lord (The Lord Trilogy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Forbidden Lord (The Lord Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. This Story SizzlesVon Ein KundeThe Forbidden Lord is a wonderfully written story. The characters are colorful and lively.

I couldn't wait to read the last page. Emily Fairchild a meek responsible rector's daughter whose life is dull and boring is about to get the jolt of her life. Her best friend, Sophie, attempts to elope but her father Lord Nesfield thwarts her plans and sends her off to Scotland while he hunts down the scoundrel Sophie wants to marry. Emily refuses to help Lord Nesfield find the villain who would dare to marry his daughter so Lord Nesfield blackmails Emily. Emily is forced to masquerade as Lady Emma to find the man who has led Sophie astray. Jordan Willis, the Earl of Blackmore, is intrigued by Lady Emma. He suspects her of being a fraud and does everything in his power to force her to admit she's a fake. Jordan unwittingly falls in love with Emma/Emily as the plot twists and turns. The Forbidden Lord keeps the reader intoxicated until the very end of the story. 1 von 1 Kunden fanden die folgende Rezension hilfreich. I LOVED this book! Von Ein Kunde I literally could not put this book down, and when I was finished, I had to read it again! It's difficult to describe what it was about this book that made it so good.....the heroine was innocent, yes, but no pushover. She insisted on an equal relationship or none at all. The hero was a dedicated bachelor, but he wanted Emily SO MUCH, and watching these two fight their attraction for each other was so entertaining. When they finally gave in, it was HOT! Get this book! I would give it 10 stars if I could. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Readers will relish this rousing Regency romantic romp Von Ein Kunde In 1819 Derbyshire, England, Emily Fairchild mourns her mother, who recently died. Still, Emily attends a masquerade ball as a companion to her friend Lady Sophie. She becomes both jealous and upset when she sees Sophie dancing with the notorious rake, Lord Blackmore. However, Sophie's father Lord Randolph Nesfield, Blackmore's parliamentary rival, makes an ugly scene on the dance floor. Through a mixup, Emily ends up in Blackmore's carriage where he proceeds to kiss her. A few months later, Sophie is exiled to Scotland by her father for trying to elope with someone. Randolph and his sister want to know who the scoundrel is so they can buy him off before his daughter runs off with the unsuitable man. Randolph blackmails Emily into donning a masquerade by threatening to expose the mercy killing of her pain-racked dying mother. Emily pretends to be Lady Emma, a disguise to enable her to wander among the Ton in order to learn who wants to marry Sophie. Blackmore recognizes Emma as the lovely Emily, but cannot obtain the reason for her disguise. Even as the duo falls in love, he still feels he must expose her to the Ton. THE FORBIDDEN LORD is an interesting Regency romance that will leave readers laughing at the exchange between the lead protagonists and struggling to figure out the intrigue of who is Sophie's love interest. The entertaining story line is a sub-genre fan's delight as the talented Sabrina Jeffries scores with this delightful look into the Regency period. Harriet Klausner

Kurzbeschreibung Jordan Willis, the Earl of Blackmore, has played with the heart of many a society belle yet one stolen kiss impulsively planted on the soft, irresistible lips of the preacher's daughter proves his undoing. The prim and proper Emily Fairchild's innocent response sends desire surging through the notorious rake, and he can't forget her. Now, meeting Lady Emma Campbell, an outrageously flirtatious debutante, leaves the earl more shaken than ever for the brazen beauty is an uncanny double of the sweet Emily! Emily cannot reveal the reason for her scandalous masquerade not even to the earl whose heated embrace awakens a sizzling passion. Her very life depends on convincing society that she is Lady Campbell, yet no disguise can hide her dangerous attraction to the earl. But does "Cinderella" dare risk losing her handsome "prince" by revealing that she is just a country girl? Pressestimmen "Powerful Romance." -- Rexanne Becnel
