Von Evelyn Rogers : The Forever Bride (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Forever Bride (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. a generous 4 stars for this time-travel taleVon natouleThe story-line is mostly decent: A modern woman has doubts on her wedding day and says an old celtic spell in an old Scottish church to find her true love. Abracadabra, she is transported a few hundred years backwards and her groom is now a Highland lord. But at the end, this magic-love-ideal is totally spoiled by the modern-day groom who hops in and out of time with help of the same old spell. If we believe that we all have ONE true twin soul, how can the modern guy come after his lady now happily married to her true-love (time-travel is irrelevant at this point)? Now if he had found his own true love in the past, it would have

made sense. Further critic: The behavior of the young lovers (side characters) is not credible at all.

Kurzbeschreibung It is only a fairy tale, but to Megan "the Forever Bride" is the most beautiful story she'd ever read. That's why she insisted on going to Scotland to get married in the very church where the heroine of the legend had been wed to her true love. Megan hadn't expected the words of the story to transport her over 200 years into the past, exchanging vows not with her fiancé, but with Robert Cameron, laird of Thistledown Castle. Kurzbeschreibung It is only a fairy tale, but to Megan "the Forever Bride" is the most beautiful story she'd ever read. That's why she insisted on going to Scotland to get married in the very church where the heroine of the legend had been wed to her true love. Megan hadn't expected the words of the story to transport her over 200 years into the past, exchanging vows not with her fiancé, but with Robert Cameron, laird of Thistledown Castle. Synopsis Loving a romantic Scottish fairy tale so much that she insists upon getting married in Scotland, Meagan Butler is transported back in time and finds herself re-creating the events of the story of her dreams. Original.
