Von Lisa Mangum : The Forgotten Locket (Hourglass Door Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Forgotten Locket (Hourglass Door Trilogy):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von TeensReadToo Gold Star Award Winner! In this, the final installment of THE HOURGLASS DOOR trilogy, Abby has gone through the hourglass door in an attempt to heal the river and undo Zo's dangerous changes to her past and protect her future. Once she reaches the river, Abby discovers there's more at stake than just her future. Zo is undoing the river, and with it time and the world as Abby knew it. If she doesn't stop him, there won't be

anything to go back to. Abby travels into Dante's time in an attempt to close the time loop and save the river and the world, but Zo isn't about to let her stop him. From THE HOURGLASS DOOR to THE GOLDEN SPIRAL, and now THE FORGOTTEN LOCKET, Mangum takes us on a thrilling jaunt through time. Though the characters in this installment have memory lapses, my memory of Mangum's characters and world have never faltered. I can't recommend these books enough. The only bad part about this novel is the fact that it ended, and with it ends Abby and Dante's story. I'll miss not reading about them in future tales, but I'm comforted knowing I can pick up THE HOURGLASS DOOR and start the journey all over again . . . and close the time loop in my own way. Reviewed by: Joan Stradling 0 von 0 Kunden fanden die folgende Rezension hilfreich. letzter Band der Trilogie nimmt an Fahrt zu... Von Familie Hladky The Forgotten Locket Der spannendste und kurzweiligste Teil der Trilogie und interessanter Zeitsprung in der Zeit. Endlich scheint die "gute Seite" dahinter zu kommen, wie sie an Macht und Einfluss gegen das Böse zunimmt.

Kurzbeschreibung The final book in the riveting Hourglass Door trilogy begins when Abby steps through the black door, and she doesn't dare look back. Though it means leaving Dante wounded, bleeding, and possibly blind she knows it is the only way to save her family and stop Zo from manipulating the river of time and throwing the future into chaos. In the end, Abby must face a final confrontation that will take her to the very origins of the hourglass door. **Pressestimmen** Give yourself time to read them because once you begin, you won't be able to stop! Holly Newton, "Meridian Magazine"--Holly Newton "Meridian Magazine" ""The Hourglass Door" has everything: a heroine who is genuine, strong, and lovable; an interesting and compelling love story; gorgeous language, fast pacing, and an intricate and exciting plot. For readers who have been waiting for the next book to sweep them off their feet--this is it."
