Von Nathaniel Burns : The Forgotten Papyrus (The Mummifier's Daughter Series Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Forgotten Papyrus (The Mummifier's Daughter Series Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. schlechtester Band der ReiheVon SeelenfantasieIn diesem 5. Buch nimmt die nacherzhlte Geschichte einer Frau, die das Schicksal ihres vermeintlich verfluchten Mannes sehr viel Raum ein. Die meisten anderen Handlungsstrnge geraten da meiner Meinung nach zu kurz. Besonders nervig empfand ich dieses Mal die andauernde stagnierende Beziehung zwischen Shabaka und Neti. Im fnften Buch sollte doch durchaus mal mehr drin sein, oder?Was aber letztendlich zur Bewertung mit nur drei Sternen gefhrt hat, ist die sehr schlechte Qualitt. Stndig und andauernd sind

Wörter falsch geschrieben, Wörter vertauscht etc. Manchmal machen die Sätze keinen Sinn, eben weil ein falsches Wort verwendet wurde. Nicht schön!

Kurzbeschreibung Ancient Egypt, 1231 BC ...A sudden increase in attacks on caravans, along with the delay of the Nubian tillage, sees Shabaka and Neti travel to Shabaka's home Sylene. Where they are tasked with finding the royal shutty. On their arrival, not only do they find that an attempt has been made on Dagi's life, but also that his death has been foretold by the most unlikely practitioner of diving arts. In a race against the moon to ensure Dagi's safety the situation increasingly gets out of hands and before long Neti and Shabaka find themselves peering into the deepest recesses of the human soul.... The Forgotten Papyrus returns us to a land steeped in mystery and magic. It paints a detailed picture of Ancient Egypt in all its glory. Faithfully recreating one of the most remarkable eras in Egypt's history, author Nathaniel Burns weaves a shudderingly ominous tale of ancient Egypt's mysteries revealed through a cast of characters the modern reader will recognize even though millenia have passed. So light up the incense, sit close to the light and draw back the curtains on the shadowed past with this gripping tale of love and intrigue among the living and the dead in one of history's most intriguing civilizations. Also Available on : The Mummifier's Daughter (The Mummifier's Daughter Series #1) Princess of Egypt (The Mummifier's Daughter Series #2) Curse of Anubis (The Mummifier's Daughter Series #3) Secret of the 7th Scarab (The Mummifier's Daughter Series #4)
