Von Karen White, Beatriz Williams, Lauren Willig : The Forgotten Room before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Forgotten Room:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not really different Von jeanne adame I find it hard to give an opinion. I enjoyed reading the different stories, but must admit that I didn't find the story, the main theme, better done or more interesting than other "like" novels that I had read that was done just by one author. The writing was of course well done, the authors are distinguished and known. And really good. Though something just did not seem to fit, not really and I found the ending too pat. But I guess the

biggest problem was my unfortunate sense of humor. Those were the nurses' names? Really? I have to admit that everytime I read the names I was thrown out of the story and I had a fit of giggles thinking of the associations I have with these names. Other names in the story were irritating too--Prunella? There just seemed to be a lot of "tongue in cheek" passages... not quite what I expected.3.5 stars

KurzbeschreibungNew York Times bestselling authors Karen White, Beatriz Williams, and Lauren Willig present a masterful collaborationa rich, multigenerational novel of love and loss that spans half a century.... 1945: When critically wounded Captain Cooper Ravenel is brought to a private hospital on Manhattans Upper East Side, young Dr. Kate Schuyler is drawn into a complex mystery that connects three generations of women in her family to a single extraordinary room in a Gilded Age mansion. Who is the woman in Captain Ravenels miniature portrait who looks so much like Kate? And why is she wearing the ruby pendant handed down to Kate by her mother? In their pursuit of answers, they find themselves drawn into the turbulent stories of Olive Van Alan, driven in the Gilded Age from riches to rags, who hired out as a servant in the very house her father designed, and Lucy Young, who in the Jazz Age came from Brooklyn to Manhattan seeking the father she had never known. But are Kate and Cooper ready for the secrets that will be revealed in the Forgotten Room? READERS GUIDE INCLUDEDPressestimmenPraise for The Forgotten Room Even with three authors, the story is seamless, and the transitions between narrators are smooth. Focusing on both a family and a single location throughout time makes for a compelling and emotionally worthwhile novel.Kirkus s Wonderful...Strong female characters, swoon-worthy romance, and red herrings abound in this marvelous genre blend of romance, historical fiction, and family saga.Booklist (starred review) A trio of authors seamlessly blend three stories into one epic novel. Spanning a century and three lives, this sumptuous, suspenseful and heart-wrenching story will keep you up all night. Each story stands on its own, with strong characters and a compelling storyline, but it is impossible to know where one writer starts and another begins. Readers will be utterly enthralled.RT Book s (4Stars, Top Pick)KurzbeschreibungNew York Times bestselling authors Karen White, Beatriz Williams, and Lauren Willig present a masterful collaborationa rich, multigenerational novel of love and loss that spans half a century.... 1945: When critically wounded Captain Cooper Ravenel is brought to a private hospital on Manhattans Upper East Side, young Dr. Kate Schuyler is drawn into a complex mystery that connects three generations of women in her family to a single extraordinary room in a Gilded Age mansion.
