Book, Slow Start Von Victor Flores JRI think I've read this whole series, or at least the books I can get my hands on that is. The books are excellent, with well-developed characters and interesting story line. The author uses a system of magic I haven't seen anywhere else, the universe is based on group belief, if enough people believe something it's real... as people lose belief it dies... Well Far slayer's story is about 2 feuding families who hate each other so much; they forget what they hate each other for. Far Slayer enters their world and the two families start killing each other off... There is a Romeo And Juliet thing going here too... it starts slow, but ends well... I enjoyed it very much... just hang in through the beginning and you'll be glad you did.

Kurzbeschreibung Long, long ago, the Gods forged Twelve Swords of Power, each with a unique and deadly quality. They forged too well, for the swords could kill the Gods themselves. Then the swords were lost, scattered across the land; and many are they, both good and evil, who are desperate to find them again. This story is of Farslayer, the sword that can kill from across an entire world. The game is fierce; the prize is the sword. The players are Black Pearl, an ensorcelled mermaid, and Cosmos her treacherous lover; Prince Zoltan and Prince Mark; the evil macrowizard Wood; and an enigmatic woman who arrives astride a griffin. Pressestimmen "Two things about Saberhagen's books: they are terrific to read, and he is a romantic who loves happy endings. Read this book and enjoy!" - "Best Sellers" Kurzbeschreibung Long, long ago, the Gods forged Twelve Swords of Power, each with a unique and deadly quality.
