Von C. J. Carmichael : The Fourth Child (Family Matters, Book 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fourth Child (Family Matters, Book 3):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well written contemporary romanceVon Ein KundeThe affair started off innocent enough when Kirk Ridgeway tried to help his fellow worker Janice through a divorce. After pretending to work late a few times, Kirk finally confesses to his wife Claire that he loves Janice. Claire is stunned that her beloved spouse and father of three, make that four since she is pregnant, children could be so unfaithful.Kirk moves out of the house. Claire struggles to survive while the three

children miss their daddy, especially Andie who allegedly is on a business trip. As Claire takes the three children to the cottage for the summer, Kirk has to decide whether he wants to stay married or go off with Janice. If he tries to stay with Claire, he risks his pride because she might refuse to take him back even with a baby on the way. **THE FOURTH CHILD** is a well-written contemporary romance that centers on the impact of a male suffering a mid-life crisis. The lead couple and the children make the story line hum as each struggle in their own way with what to do next. C.J. Carmichael turns **THE FIRST WIVES' CLUB** scenario into a cleverly designed family drama that entertains the reader while providing insight into the aftermath. **Harriet Klausner** 0 von 0 Kunden fanden die folgende Rezension hilfreich. Engrossing examination of a marriage in trouble **Von L. S. Tucker** Claire and Kirk are a normal couple, with three rowdy daughters. He works hard and long hours, taking frequent business trips. She is a stay-at-home mom, busying with the girls and the house. When a friendship with a coworker goes too far (just short of sex), Kirk believes he has fallen in love with another woman. His timing is exquisite. Unknown to Kirk, Claire is pregnant with their fourth child. Claire throws him out, but now Kirk thinks they should get help to try and put their marriage back together. The reactions of Claire and Kirk are dead on. It is a story of putting their marriage back together again, but it is still a love story. You learn how both think and regret past errors. Kirk's family history explains why he is struggling with his betrayal of their marriage vows. You can feel his and Claire's pain. Subplots about the eldest daughter's problems and a dear friend's shaky romance lend texture and depth to the story without detracting from the primary focus. If you like stories with depth and feeling, buy this book. You'll soon be feeling the pain and betrayal and the need for renewal with Claire and Kirk. 0 von 0 Kunden fanden die folgende Rezension hilfreich. **Marriage in trouble** **Von Debbie K. Gilbert** This book was wonderful story of how a couple wants to fight for the family they have. It isn't just a baby story.....this book focused more on the effects of his loving another woman had on his oldest daughter and his wife. There isn't a quick fix or a kiss "I'm sorry I lied" then she forgives him either, they both have to reexamine their feels about each other and where they make the mistakes. When I tally up the books I've read at the end of the year this book will stick out on the keeper shelf.

Kurzbeschreibung From the outside Claire Ridgeway looks like she has it all a handsome, successful husband, three young, healthy daughters, a beautiful home in Toronto and a cottage in Lake Country. But Claire knows there are fissures in her marriage that could threaten everything. Even so, she's shocked when Kirk announces he's in love with another woman. Turns out his late nights at work have been spent wining and dining this other woman. Shattered by Kirk's revelation, Claire is sure her marriage is over and when Kirk suggests counselling she wonders if there's any point. But with so much at stake, shouldn't she at least try? Not just for her and Kirk's sake, but for their daughters and the fourth child Kirk doesn't even know she's expecting. (marriage in jeopardy, romance series, pregnant heroine, baby, family life, women's fiction, family drama) **Kurzbeschreibung** From the outside Claire Ridgeway looks like she has it all a handsome, successful husband, three young, healthy daughters, a beautiful home in Toronto and a cottage in Lake Country. If you read my **January Superromance**, **Her Best Friend's Baby**, you've already met Claire Ridgeway and her husband Kirk. You may also have sensed that trouble was brewing in their marriage. You were right! That trouble is about to explode as Claire finds out that Kirk has fallen in love with a woman at work. Just as she discovers she's pregnant again...
