Von David Morrell : The Fraternity of the Stone: An Espionage Thriller (Mortalis Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fraternity of the

Stone: An Espionage Thriller (Mortalis Book 2) (English Edition):

Kurzbeschreibung From acclaimed Thriller Master, David Morrell, comes a classic espionage tale that changed the genre, paving the way for the historical/religious thrillers of Dan Brown, Steve Berry, and James Rollins. In a remote monastery in Vermont, a mysterious man has spent six years alone in a cell, doing penance for unnamed sins that he committed for his government. His only human contact is the hand that delivers his spartan meals through a slot in his door. He allows himself only one small pleasure, the companionship of a mouse. When the mouse dies, nibbling bread, a terrible suspicion makes him finally leave his sanctuary and confront the ruthless enemies that he prayed he had left behind. Beginning with the Crusades and the origin of the word assassin, **THE FRATERNITY OF THE STONE** was the first novel to deal with Opus Dei, the Vatican's civilian intelligence community. If you like to read about ancient conspiracies that threaten the modern world, this is where the genre began. **Pressestimmen** [David] Morrell (best known for *First Blood*) returns to his favorite revenge theme in [this] thriller, which focuses on a hit man who renounces violence only to be flushed out of his monastic retreat back to the counterterrorist circuit. **Kirkus** sThose who appreciate a good spy novel are going to have to clear more space on the shelf. David Morrell's *Fraternity of the Stone* . . . establishes Morrell as a force to be reckoned with. . . . The plot works marvelously and should not be missed by anyone who enjoys a good spy thriller. **Sunday News** (Ridgewood, N.J.) **Werbetext** The second book in award-winning David Morrell's gripping *Brotherhood Trilogy*
