RothWer diese Rezension liest und mit dem Gedanken spielt, sich den viertel Teil der Serie zu kaufen, wird die vorigen drei sicherlich ebenfalls gelesen haben. Daher beschrnke ich mich auf das Ntigste: Wer die ersten drei Teile mochte, wird sicher auch diesen hier mgen. Die Story nimmt nochmal ziemlich Fahrt auf und whrend ich in den ersten drei Bchern die ein oder andere Passage etwas langatmig fand, geht es hier Schlag auf Schlag und man mchte das Buch gar nicht aus der Hand legen.Wie die gesamte Serie ist auch dieses Buch sicher nicht ganz auf dem epischen Niveau manch anderer Fantasy Autoren (Rothfuss, Sullivan oder Manning gefallen mir nochmal eine ganze Ecke besser), aber man bekommt hier eine wirklich solide und unterhaltsame Serie fr sein Geld und gerade dieser Teil hat mir beim Lesen viel Freude bereitet.1 von 1 Kunden fanden die folgende Rezension hilfreich. Must ReadVon ortyyyyI have no words. I've spent 2 days reading book 1-4 and i can say that these were the best spent 2 days of reading of my life.I have completelly forgotten my surroundings. The immersion was just overwhelming. I have no words do describe it.This series has everything you expect.Great story, great setting, absolutely great characters and a great lenght.I cried at the end of book 4. Thank you dear author. This healing is what makes a story great.

KurzbeschreibungGarrett must walk a perilous line between his duty to the sisterhood of the death goddess and his loyalty to the brotherhood of necromancers as he seeks to uncover the identity of a traitor in their midst. Yet it is his love for the vampire girl Marla that may prove his undoing when the secret of her true lineage comes to light. All of this would be challenge enough for any young necromancer, even without the power of an ancient sorcerer king awakening within him, but now he's pretty sure that he's being followed by something very small and very angry. He's going to need a lot more zombies.KurzbeschreibungGarrett must walk a perilous line between his duty to the sisterhood of the death goddess and his loyalty to the brotherhood of necromancers as he seeks to uncover the identity of a traitor in their midst.
