**Von Bernard Minier : The Frozen Dead (Commandant Servaz)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Frozen Dead (Commandant Servaz):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Something lost in translation? Von Huwge Will probably have to read in original. Either the dialogue is too clunky or poorly translated - was expecting more, ended up very formulaic and seems to pinch here and there from better authors 0 von 0 Kunden fanden die folgende Rezension hilfreich. Atemlos Von Briten-Fan Wow, war das spannend!!!

Ansich wollte ich NIE wieder einen Krimi lesen, in dem der Ermittler/die Ermittlerin stndig vllig ausgelaugt ist, immer ber ihre Grenzen geht, selten isst, so gut wie nie schlft, ein furchtbares Verhlttnis zu ihrer Familie hat (hier zur Tochter), von den Kollegen verachtet/vergttert wird.....trotzdem konnte ich THE FROZEN DEAD nicht aus der Hand legen. Ein sehr schner Weihnachts-Ostsee Urlaub hat doch etwas darunter gelitten, dass ich immer ins Hotelzimmer zurck-zum-Buch wollte....ber den Inhalt mchte ich kein Wort verlieren-ist alles schon gesagt, nur mein VERDICT insgesamt: UNBEDINGT LESEN!0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr franzsisch !Von Eve Brook Stammich habe bis zum Ende gelesen ohne erraten zu haben, wer der Mrder war! Sehr gut, sehr, sehr empfehlenswert und sehr franzsisch.

KurzbeschreibungSaint-Martin-de-Comminges is a small town nestled in the Pyrenees. The kind of place where nothing happens.Until the winter morning when a group of workers discover the headless body of a horse, hanging suspended from a frozen cliff. Toulouse city cop Servaz can't believe he's been told to investigate the death of an animal. But there's something disturbing about the crime he can't ignore. Then DNA from one of the most notorious inmates of a nearby asylum is found on the corpse... and a few days later the first murder takes place.Madness and revenge is stirring in the snowbound valley, and Servaz must uncover the town's dark secret before the killer strikes again.Pressestimmen"A publishing sensation in France, where it's rushed up the bestseller lists, this is Minier's first crime novel and this translation justifies its vast French reputation....With a villain possessing the intelligence of Thomas Harris's immortal Hannibal Lecter, this is great story-telling, with a creeping sense of dread that would not disgrace Stephen King at his best."--"Daily Mail""This densely written and very atmospheric thriller is Minier's first novel. It has been a bestseller in France and, in this well-translated English edition, deserves to be one here."--"Literary ""Revenge is at the heart of this clever mystery, which involves a plot as cold-blooded as the slaying of the horse"--"Sunday Times""An enjoyable and fast-paced thriller."--"Sunday Business Post""Chilling."--"Elle" "The writing is razor sharp and nothing goes to waste. Enough to make other authors jealous." --"Femme Actuelle""Remember the name Bernard Minier... he might well take his place among the masters of French thriller writers." --"Le Figaro""The Frozen Dead" is a boiling-hot success." --"Le Point""Bernard Minier's "The Frozen Dead" is a terrific thriller that will keep you up long past your bedtime. The French Pyrenees make a wonderfully atmospheric setting for this complex story of past crimes, madness and revenge. Servaz and Ziegler are a fascinating cop duo, and I hope to see more of them in the future. Excellent."--Peter Robinson, author of "Children of the Revolution" and "Watching the Dark""The pervasiveness of evil in this tense and disturbing novel makes for very compelling reading, with the suspense bordering on horror."--"Booklist (starred review)""Minier's assured debut adroitly combines a genuinely creepy series of crimes, a literally chilling atmosphere, and a dogged detective. Minier's execution equals his considerable cleverness.--"Publishers Weekly" (starred review)"Minier...exploits the unusual setting exceptionally well...an absorbing effort.... A high-altitude thriller, this novel is a great summer read for more than the usual reasons."--"Kirkus s""Complex, fast-paced, and completely absorbing, Minier's wickedly plotted mystery has already been published in numerous languages and found a place on international best sellers lists."--"Library Journal ""A publishing sensation in France, where it's rushed up the bestseller lists, this is Minier's first crime novel and this translation justifies its vast French reputation....With a villain possessing the intelligence of Thomas Harris's immortal Hannibal Lecter, this is great story-telling, with a creeping sense of dread that would not disgrace Stephen King at his best."--"Daily Mail""This densely written and very atmospheric thriller is Minier's first novel. It has been a bestseller in France and, in this well-translated English edition, deserves to be one here."--"Literary ""Revenge is at the heart of this clever mystery, which involves a plot as cold-blooded as the slaying of the horse"--"Sunday Times""An enjoyable and fast-paced thriller."--"Sunday Business Post""Chilling."--"Elle" "The writing is razor sharp and nothing goes to waste. Enough to make other authors jealous." --"Femme Actuelle ""Remember the name Bernard Minier... he might well take his place among the masters of French thriller writers." --"Le Figaro ""The Frozen Dead" is a boiling-hot success." --"Le Point" Bernard Minier's "The Frozen Dead" is a terrific thriller that will keep you up long past your bedtime.
