Superman fr armeVon Axmandas erste Buch von Tom Wood das ich in die Finger bekam - The Hunter - fand ich noch ganz unterhaltsam. Mal etwas anderes..dachte ich. Zwar gab es auch hier schon hahnebchende Wendungen aber ich

habe es trotzdem zu Ende gelesen. Bei dem zweiten Buch - The Enemy - wurde mir dann klar, da es Victor (ehemaliger Auftragskiller und Hauptprotagonist) gelingt, sich aus jeder Zwangssituation - und sei sie noch so abstrus - befreien kann, jeden Kampf gewinnt und wahrscheinlich auch noch die Welt rettet. Sorry, aber die Zielpersonen - no pun intended - sind wohl komplexbeladene Teenies. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of my favourite books. Von kittypaw I can really recommend this book to all thriller fans - action and the most awesome cool bad guy ever. I've read the first book over three years ago and I fell instantly for Victor the assassin. The writing is excellent and thrilling - you can't put it aside until you finished it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. silverstonegolf Von Silverstone Super Book with plenty of action. Hopefully there is more in the making. Victor is a dangerous person with bad habits.

Kurzbeschreibung Victor is the perfect killer. He has no past. He will stop at nothing. And he can find you anywhere. In sweltering Algiers, ultra-efficient hitman Victor executes a fellow assassin. But when the CIA comes calling, Victor must pose as his victim to identify the dead man's next mark, a mission that takes him across Europe to the bloody streets of Rome. Working alongside a group of vicious mercenaries, Victor faces an impossible choice: to do what's right, or to sacrifice the only thing he cares about . . . his life. Full of white-hot tension and edge-of-the-seat action, The Game will surprise you at every turn. **Pressestimmen** Exciting...no punches pulled (Choice) To reveal more, particularly details of a hair-raising climax, would be to destroy the reader's enjoyment, but like the rest of this first-class piece of action work, it's ingenious and delivered with all the subtlety of a kick in the teeth. The Game is a well-plotted, well-written, brutal, bloody, but hugely enjoyable addition to a long tradition of action thrillers, the ideal book to take on holiday with you. (Crime) Truly mesmerizing . . . a powerful, forward-driving plot and lots of brutality. I loved it. (Mystery People) This is a fast moving, well written thriller which is worth more than just being stuck in a suitcase as something to read on holiday if the weather is bad (Robin's s) An excellent storyline, great characters and a narrative flow to be envied, Tom Wood has succeeded in writing a terrific thriller. More please sir! (Milo Rambles) **Werbetext** Full of white-hot tension and edge-of-the-seat action, The Game confirms Tom Wood as the most talented British thriller writer today, and Victor as the most unique antihero.
