Von Dorothy May Mercer : The Gang Bust (A Mike McBride Novel Book 5) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Gang Bust (A Mike McBride Novel Book 5) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Top Rated Action Adventure Romance Von NEALM This is my 5th Mike McBride novel, and I can't say enough about this writer. Mercer keeps you on the edge of your seat, during the dramatic chapters, and has you laughing and enjoying the characters and the dialog during the off duty hours. By now, I feel as if I know all the characters as family friends. Believe me the great heroes and beautiful girls seem like real people. Also, there are enough bit players and supporting roles to fill any wide-screen and employ a lot of character actors. Mercer draws each character individually, no two alike. She even helps us out by providing a handy 'List of Characters' in the back of the book, and makes sure to re-

introduce us with subtle hints, in case we have forgotten who this person is. As it takes me a while to finish a book, I appreciate that feature. It may have been a couple of years since this series started, but the subjects are even hotter than ever: immigration reform, people flooding our southern border, drugs, cartels, gangs, political corruption, and all. I am a news junky, and so it is nice to escape into a book that solves it all in 350 pages and has you cheering wildly at the end. One thing I hate in a book is long flowery descriptions and sentences that go on forever. Mercer gives us scant descriptions, a word or two, and leaves the rest to our imagination. That's good. Even so, I feel as if I understand perfectly. Not sure how she does it, but it works for me. Incidentally, although it isn't rated, I feel this book is safe for young people's tender eyes. Mike McBride manages to get us excited and scared without using a single swear word, and manages to round up plenty of bad guys with brains, not brawn, nor gunshot. He even takes his bride on a sensual honeymoon in paradise, without needing an explicit description of every dang detail. Congratulations, author Mercer.

The Gang Bust is a fun and entertaining, fast-paced read and stands alone. But once you get hooked, you'll want to pick up all of the books in the McBride series.

Kurzbeschreibung It is the season for a bit of fun and joy, and a chance to escape from the news. This novel is meant for you. Sit back and get lost in a good old- fashioned read, You deserve a time-out. In this 5th book of the Mike McBride Novels, hero cop Det. Lt. Mike McBride brings about a successful raid on the West Coast Cartel, and breaks up a baby-kidnapping and smuggling ring stretching from the Governor's Mansion in New Mexico to Capitol Hill in Washington D.C. Mike becomes a nationally recognized hero and delivers a ringing speech in the Senate that will challenge any notions held about illegal immigration. Meanwhile, his family and friends' lives progress with success, fun, romance, childbirth and an exciting and surprise ending.

den Autor und weitere Mitwirkende Dorothy May Mercer is the author of the popular McBride series of five books, featuring handsome cop hero Det. Lt. Mike McBride, his sidekick, Sgt. Leroy Bratowski, and his girlfriend, Juliette Carolle. They are packed with action, adventure, handsome heros, vile villians, beautiful and smart women, and just the right amount of romance. Contemporary United States politics enters into the plots, as Mike deals with immigration and border security issues, as well as corruption in high places, the kidnapping of women and the selling of babies. Prepare to be entertained and enlightened.
