Von Charles Sheffield : The Ganymede Club (Cold as Ice Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ganymede Club (Cold as Ice Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mystery and Science Fiction-Great CombinationVon puffinswanI really enjoyed this book. The characters were varied, the plot

intriguing and the writing was clear and literate.

Kurzbeschreibung Lola Belman was a refugee. She and her younger brother were on one of the last ships to leave Earth as the bombs began to fall; by the time they left lunar orbit, they were orphans. Lola is now practicing as a therapist on Ganymede, and she has a new patient whose past is a mystery. During those years of chaos, many records were lost and histories forgotten, and it was an ideal time for anyone who wanted to conceal his or her identity. Now there is a small, dangerous group who will stop at nothing to keep Lola from exploring the past and discovering their existence.

Kurzbeschreibung Lola Belman was a refugee. She and her younger brother were on one of the last ships to leave Earth as the bombs began to fall; by the time they left lunar orbit, they were orphans. Lola is now practicing as a therapist on Ganymede, and she has a new patient whose past is a mystery. During those years of chaos, many records were lost and histories forgotten, and it was an ideal time for anyone who wanted to conceal his or her identity. Now there is a small, dangerous group who will stop at nothing to keep Lola from exploring the past and discovering their existence.

Synopsis In the years following the Great War and the death of half the human race, Lola Belman, a therapist on Ganymede, meets a patient whose past is a mystery, and a dangerous group will stop at nothing to keep Lola from exploring the past and discovering their existence. Reprint.
