Von Connie Mason : The Last Rogue (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Rogue (English Edition):

Rogue meets country squire's daughterVon Kindle JunkieOverall a quite readable style of writing, although at times a bit simple. There are some quite spicy love scenes; some readers may dislike that. The viscount's repeated cold baths in the sea to cool his libido got a bit old.A somewhat different historical romance in that no one needs to marry due to an

inheritance or for an heir. First he saves her life and then she saves his. And of course the rogue is reformed by the beautiful innocent.

Kurzbeschreibung London 1820 All London was stunned when the infamous rake Lucas, Viscount Westmore, vowed to give up the fair sex and exile himself to St. Ives. The infamous rake was known for his love of luxury and his way with the ladies, just as the rugged Cornish coast was known for its savagery, its fearsome gales and its smugglers. But Luc was determined to turn away from the seduction of perfumed flesh that had ended in tragedy and make his atonement. He never guessed the stormy nights of Cornwall would bring unlooked-for danger, the thrill of the chase, and a long-legged beauty who would tempt him like no other.
