**Von Ronald Florence : The Last Season: A Novel** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Season: A Novel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not my thing, but... !Von Gregory F. MarchEarlier this month, I was asked to read this novel. Being a SciFi reader, I hesitated before opening the cover and before I knew what had happened, I was engrossed. The detail of the period was great (gotta love those old V-12 Packards!) and the characters were so real that you felt true emotions for them. You can see

that the author has done his research on many different levels. Believe it or not, I had the same "can't wait to sit down and read" feeling with *The Last Season* as I did when I read Stephenson's *Snow Crash* even though the subject matter is completely different. For me, that is saying a lot... Good work Ronald Florence! You can't go wrong with *The Last Season*! The only reason this is a 4/5 is that I am reserving that for the author's first SciFi novel. :-)

The only reason this is a 4/5 is that I am reserving that for the author's first SciFi novel. :-)

**Kurzbeschreibung** The last season in Newport, Rhode Island is the summer of 1941, just before Pearl Harbor. It is the end of an era of social glitter and privilege. Sera, a young Portugese beauty from nearby Stonington, Connecticut, falls in love with Russell, a young Naval Lieutenant from a socially prominent Newport family, who is stationed at the War College--the naval base near Newport where secret military scenarios are played out by future commanders. She is swept off her feet by the charming Russell who thinks nothing of borrowing secret documents to raise the money his family won't give him to date Sera. But Sera will not stand for that. Sophisticated thrills and romance energize *The Last Season*, from the author of *The Gypsy Man* and *The Perfect Machine*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Pressestimmen** "In the tradition of "From Here to Eternity", Ronald Florence has constructed his story as carefully and lovingly and knowledgeably as the boats that Jake builds in the novel. Rich in the period and society detail of Newport, Rhode Island, the summer of 1941, it's all here: terrific romance and intriguing espionage, all against the thunderheads of the historical attack on Pearl Harbor."-- Terence M. Green ""The Last Season "is a well-seasoned visit to a crucial era, crowned by an engrossing story. I recommend it highly for real reading pleasure."--Gregory Benford
