Von Carolyn Rosewood : The Last Soul (Seduced by a Demon Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Soul (Seduced by a Demon Book 1) (English Edition):

A Red Hot Debut!Von Catherine CavendishFaina has been dead for 150 years and to say her existence since then has been 'hellish' is putting it mildly, because straight from hell she comes to fulfill a mission for her lord and master. What she

doesn't bank on is that she will fall in love with her latest victim - the gorgeous Jace Blackmon, the most honest financier you could ever lust after. Carolyn Rosewood knows how to inject fire into sex scenes, while at the same time telling a thoroughly entertaining story. This is a short, satisfying read (but don't forget to keep a cool fan and preferably an ice bucket handy. The heat rating is tropical!) This is, I am sure, just the start of Carolyn's successful career as an author. She has another book coming out in the summer and I for one will be reserving my copy. 'The Last Soul' is highly recommended for adult reading, even if you're not normally a fan of the paranormal
